214 Unsung Heroes: Indie Superheroes

Its not easy being a superhero these days. There's plenty of competition, and you've got to stand out in the crowd if you're going to make your mark. To that end, ***PREVIEWS*** celebrates the indie superheroes with our Unsung Heroes event this month, bringing these deserving characters and series into the spotlight!

FS-1 *PREVIEWS* Interview: Craig Yoe

While not a household name to most comics fans, Craig Yoe's works are surely known to comic art enthusiasts everywhere, having edited and/or designed many wonderful artbooks on classic comics like Dick Briefer's Frankenstein, Archie, Krazy Kat and the early works of Steve Ditko. The talented writer/editor/artist and Comics Historian/Archaeologist discusses his books and deep love and respect for the artform in our exclusive interview.

PREVIEWSworld.com

At first glance, *PREVIEWS* can be overwhelming because it's packed with tons of cool stuff. But there's a rhyme and reason to this mag-a-log and here's how to use it!

You now hold in your hands the latest issue of *PREVIEWS*, the monthly mag-alog dedicated to comics, graphic novels, toys and other pop-culture merchandise. If it's in your comic shop, it's in the page of *PREVIEWS*!

PREMIER COMICS BOOKS & MAGAZINES TRADING CARDS APPAREL MERCHANDISE GAMES VIDEOS

What is *PREVIEWS*?

PREVIEWS is part magazine, part catalog—a "mag-alog" of all comics and pop-culture merchandise found at your local comic shop.

We've broken down the product listings by easy-to-understand sections: Comics & Graphic Novels; Books; Trading Cards; Toys, Statues & Models, and more.

Each month, you'll find detailed listings for almost every comic book and pop-culture product that will be available in comic shops in 2 months. So, if you're looking at the April issue of ***PREVIEWS***, most items will be in comic shops sometime in June.

How do I order from *PREVIEWS*?

Ordering from ***PREVIEWS*** is easy! There are **3** simple ways to order:

1 **Use the Short Order Form.**
Fill in with the items you'd like to order from this issue.

2 **Ask for the companion Customer Order Form.**
We offer a companion order form that features a complete listing of every product offered in that month's issue of ***PREVIEWS***. Fill out what you want to order and hand in to your comic ship by the due date on the cover!

3 **Ask your retailer about their "Pull & Hold" service.**
Many retailers offer a "pull & hold" or subscription service where you can order your monthly comics and merchandise easily. They'll hold your orders for you and you can pick up your items when it's convenient for you! Be sure to ask your retailer to give you a copy or ***PREVIEWS***, Marvel ***PREVIEWS***, and the ***PREVIEWS*** Customer Order Form each month so you can place your orders easily!

PREVIEWS legend

Throughout this issue of *PREVIEWS*, you'll find a variety of symbols and terms that will help you in select items from this catalog. Here's what they mean:

Gems of the Month
The top offerings of the month, as chosen by our Premier publishers—these are the best bets in comics whether it's the next high-profile project or a new ongoing series.

Featured Items
In other sections, you'll find Featured Items, the top monthly products offered in their categories.

Spotlight On
These items are not to be missed; highlighted to get your attention.

Previews Exclusive
These are items available only through ***PREVIEWS***! When you see this icon, you'll know you're ordering a limited item found nowhere else!

Featured Theme
Each month, ***PREVIEWS*** features a different theme to highlight certain titles and products. Look for that month's themed icon to find these selected items.

Certified Cool
Are you looking for the next title that pushes the envelope? Then try out one of our Certified Cool titles; books specially earmarked for readers who are looking for something a little different.

Staff Pick
This icon denotes items that have been reviewed by our staff and are worthy of a second look!

Indie Edge
The cutting edge of independent comics and creators, look for this icon on selected titles throughout the Comics & Graphic Novels section.

Star of the Month
These are best-selling backlist items that are available for immediate order from your local comic shop, and usually available for pick-up in about a week!

Offered Again (O/A)
These items have been previously offered before in ***PREVIEWS*** and are being made available again.

PI or Please Inquire
Your store will set the price for all "Please Inquire" items — check with your retailer for the price on these items.

MSRP or SRP
Manufacturer's/Suggested Retail Price. These designations provide suggested pricing information for a majority of items not carrying a retail price. Actual prices may vary depending upon market conditions. Please check with your retailer.

Caution (CAUT: #-#-#)
Cautions listed at the end of catalog descriptions indicate an item that may ship late or otherwise diverge from its Previews description. These codes are separated into three categories:

International Rights (I-Rights) — the item is restricted into what countries it can be sold.
- 0 = No International Rights restriction;
- 1 = International Rights are restricted.

Content Changes — the content may change after solicitation.
- 0 = No Content disclaimer;
- 1 = Content disclaimer enforced.

Ship Date Changes — the final shipping date may differ or change from the scheduled ship date.
- 0 = Product will ship according to schedule;
- 1 = Product may ship an additional 60 days beyond scheduled ship date;
- 2 = Additional 90 days beyond scheduled ship date;
- 3 = Additional 120 days beyond scheduled ship date;
- 4 = Product may ship at any time beyond scheduled ship date.

***PREVIEWS* Abbreviations**
SC = Softcover, HC = Hardcover, TP = Trade Paperback, MMPB = Mass Market Paperback, FC = Full-Color, b&w= Black & White; PC = Partial Color

A NOTE TO TOY COLLECTORS:
Your retailer cannot guarantee receiving specific items — such as action figures — when they must be ordered in case or "assortment" quantities. Please be aware of this when ordering action figures and other items designated as cases or assortments.

SAN DIEGO 2011: AFTERMATH

EDITOR'S *note*

This year's Comic Con seems like it occurred month's ago, yet I've actually been back less than month since this year's annual trip to San Diego. It's good to be back in the office and the routine, but what a trip it was!

I started things off with a visit with my mom (she made my favorite dinner, Tacos!), and later paid a visit to my longtime pal Andy Wood at *GamersCircle Comics* in Folsom, California for some Zombie Munchkin and burgers at Red Robin (yum!). Then I met up with my bud Chris Cade, and we hit the road for Los Angeles, where we hung out with Chris' sister Christy, visited Meltdown Comics, and attended a taping of *The Late, Late Show with Craig Ferguson*… which was free and highly recommended if you ever find yourself in the LA area. After all that and more, it was on to San Diego and Comic Con!

Once again, this year's main hall was bustin' to the seams with a multitude of fans young and old alike, and there was something there for everyone, from movies and video games to artwork and comic books — Yes, comic books! And when Chris and I weren't roaming the showroom floor looking for cool stuff to blow our money on, we were camped out once again in the expansive Hall H, home to some of Comic Con's biggest panels. And although this year's line-up was perhaps a bit underwhelming at times, we still saw some excellent stuff while there…

Steven Spielberg's first-ever Comic Con appearance…
…with Peter Jackson, on a break from **The Hobbit**
A first look at Ridley Scott's *Alien*-verse prequel, **Prometheus**…
The Knights of Badassdom with *Game of Thrones'* Peter Dinklage…
The first look at The Lizard from **Amazing Spider-Man**…
and tons more!

And yes, after all that and more, it was indeed good to get back home and jump back into the ol' ***PREVIEWS*** trenches. And as always, I'd like to thank ***PREVIEWS'*** Head Writer and "Demigod of Order Forms" Allyn Gibson, who once again kept things rolling in my absence. Thank you, sir, and I hope you liked the TARDIS bobble!

In this month's issue, we pay tribute to the "Unsung Heroes" of comics, those independent heroes who don't always get the hype and media attention heaped upon some of their peers, but just as deserving of your attention. You can find some recommended titles at the start of the Comics section, and you can look for our icon throughout the issue for more great Indie Heroes.

That's all for this month! If you're heading back to school, be sure not to neglect your studies… but don't forget to take a break and check us out next month for more of the coolest stuff on Earth!

Your Pal @ ***PREVIEWS***,

Marty

CRAIG YOE

Craig Yoe has been called "The Indiana Jones of Comics Historians." Yoe lives in a comics and art-filled castle outside of New York City with his wife, newborn son and countless cats. Yoe has 6 patents in his name for toy inventions and his design and cartooning clients include Microsoft to MTV, where he created an animated station ID that was the heaviest rotated in the network's history. Yoe has a life-long passion for the history of comic books and comic strips, and has won many awards including the Eisner, The Gold Medal from the Society of Illustrators, and the Mobius. For Your Reading Pleasure, Craig Yoe Recommends These Personal Favorites...

I wish I knew more about animation. I do know that the *Looney Tunes* cartoons are the funniest cartoons of all time. So I have been greatly enjoying reading Insight Editions' ***The 100 Greatest Looney Tunes Cartoons*** (MAR101241), edited by Jerry Beck. I read the fascinating commentary on each cartoon and then watch the 'toon cited on dvd — what a treat!

People who know me, know that I'm a sucker for a well-drawn sexy girl. And nobody draws the female form better than Dean Yeagle. Yeagle is a master pin-up cartoonist and I buy each and every one of his books and delightedly pore over them. A great start is the recently updated ***Melange: The Art of Dean Yeagle HC*** (MAR111381).

When I worked on *Archie: A Celebration of America's Favorite Teenager*,it cemented in my mind what a brilliant artist and humorist Bob Montana was. So I really love IDW's ***Archie: The Complete Daily Newspaper Strips—1946-1948***, featuring Bob Montana, and edited by Greg Goldstein.

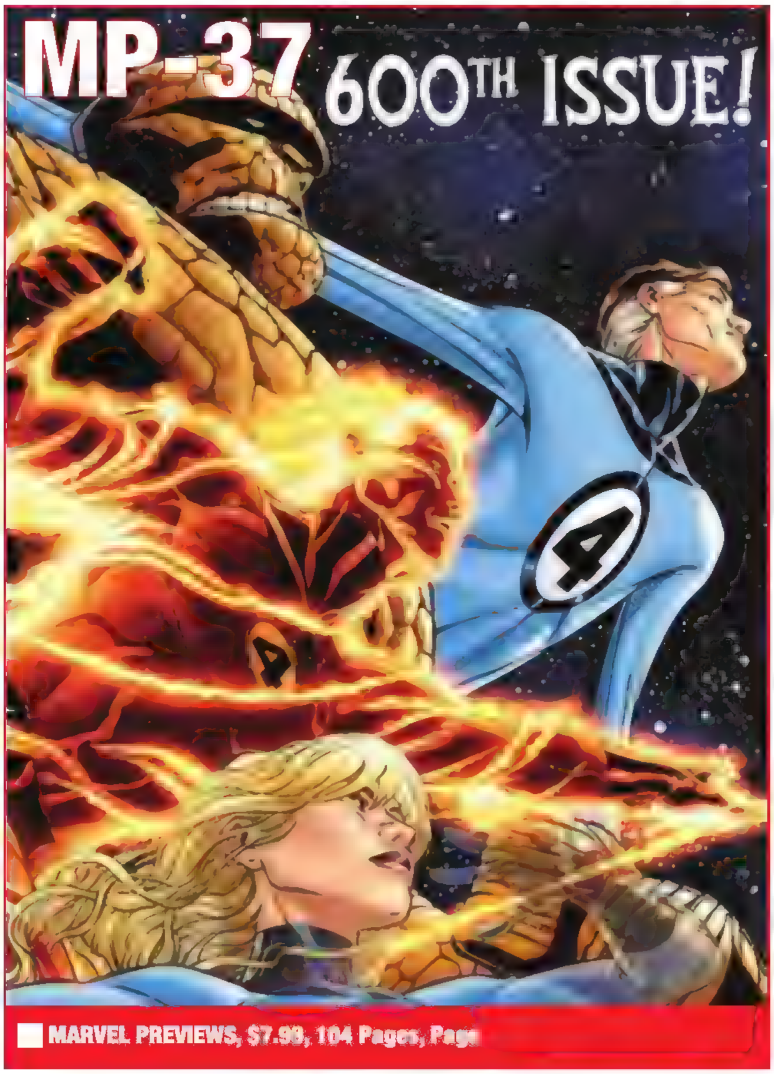
CELEBRATE FIFTY YEARS OF THE MARVEL UNIVERSE WITH *FANTASTIC FOUR* #600

Four intrepid explorers — research scientist Reed Richards, test pilot Benjamin Grimm, and passengers Sue and Johnny Storm — boarded a test rocket and blasted off into space in November 1961 in the pages of *Fantastic Four* #1. Their rocket bathed in cosmic radiation, they returned to Earth and discovered that the radiation had bestowed upon them the powers of the four classic elements — Ben Grimm's body turned to stone (earth), Reed Richard became stretchable and elastic (water), Sue Storm could turn invisible (air), and Johnny Storm could ignite and fly (fire). As Mr. Fantastic, the Invisible Woman, the Human Torch, and The Thing and joining together as the Fantastic Four, they had adventures beyond imagining.

This November, Marvel Comics celebrates fifty years of the World's Greatest Comic Magazine with the release of *Fantastic Four* #600 from writer Jonathan Hickman and an all-star line-up of interior and cover artists. In the past year, Marvel's First Family has seen both tragedy and triumph, from the sacrifice of Johnny Storm in the Negative Zone to the birth of the Future Foundation to carry on the mission of those legendary adventurers.

Fantastic Four #600 kicks off "Forever," the five-part storyline that draws to a close threads that have been building over the past thirty issues and sets the stage for another fifty years of mind-blowing adventures with an over-sized first chapter with 96-pages of all-new stories and no reprints!

Joined by artists Steve Epting, Carmine Di Giandomenico, Leinil Francis Yu, and Farel Dalrymple on the interiors and Gabriele Dell'Otto, Joe Quesada, John Romita, Jr., and Arthur Adams on the covers, Hickman answers the burning questions and unveils the shocking revelations that make *Fantastic Four* one of comics' most imaginative titles. "Forever" will forever change the status quo of Marvel's First Family and cap off one of the most inventive storylines in *Fantastic Four*'s fifty-year history!



■ MARVEL PREVIEWS, $7.99, 104 Pages, Page

Whether you are a long-time fan of the *Fantastic Four*, a reader who came aboard *Fantastic Four* and companion title *FF* with the shocking events of "Three," or a new reader curious about Jonathan Hickman's ground-breaking work with the title, *Fantastic Four* #600 is the must-read title of November and the perfect celebration of fifty years of the World's Greatest Comic Magazine!

KICKING OFF A NEW STORYLINE, THE OVER-SIZED FANTASTIC FOUR #600 MARKS THE 50TH-ANNIVERSARY OF THE MARVEL UNIVERSE IN SPECTACULAR STYLE!

WHEN EARTH FACES DESTRUCTION, THE UNSUNG HEROES HEED THE CALL

When the Earth is imperiled, when disasters threaten our cities, when the fabric of reality itself unravels, humanity calls upon its super-heroes to save it — heroes like the Umbrella Academy, the Grim Ghost, Max Daring, the Green Hornet, and Darkwing Duck! This November, ***PREVIEWS*** invites you to discover the Unsung Heroes who have adventures just as important, just as Earth-shaking as those more familiar heroes.

Throughout the September ***PREVIEWS***, you will find books from publishers like Dark Horse Comics, Dynamite Entertainment, BOOM! Studios, Archie Comics, and many more publishers labeled as Unsung Heroes. Books like Amaze Ink/Slave Labor Graphics' *Shadoweyes*, Ardden Entertainment's *Atlas Unified*, Bluewater Productions' *Fleischer*, and many others star caped and masked heroes who may not be as well known but whose adventures lack none of the thrills.

Dangers lurk around every corner, and the Unsung Heroes take center stage in saving the world this November!

IT'S A BATTLE FOR SURVIVAL IN FRANK CHO'S NEW SERIES, *GUNS AND DINOS*

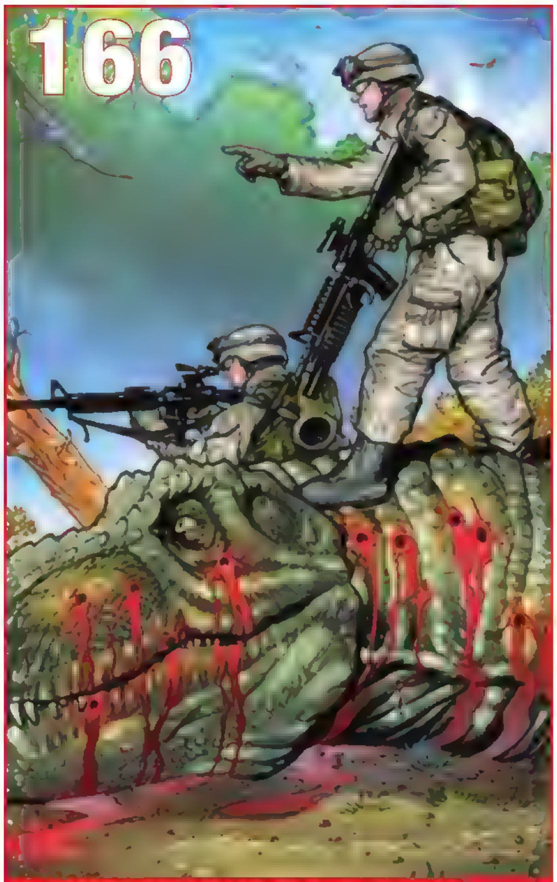

IMAGE COMICS, $2.99, 32 Pages, Page 166

Frank Cho is one of the most acclaimed artists of the last decade. As the writer and artist of the daily comic strip *Liberty Meadows* and the artist of projects like *Mighty Avengers* for Marvel Comics, Cho has become renowned for his quirky characters and his instantly recognizable and gorgeous artwork.

Cho breaks new ground this November with his new three-issue mini-series from Image Comics, *Guns and Dinos*. In the near future, humanity's fossil fuel resources are nearly depleted and new methods of transportation are needed. A scientific research station working for the military has made a breakthrough — teleportation — that can replace the need for gasoline-powered vehicles. But a miscalculation of the quantum equations opens a portal through time, and this research station is thrown millions of years into the past, to the time of the dinosaurs. And though the scientists have found a way back home, it will take eleven months for the quantum portal to reopen, leaving the scientists and soldiers to increasingly desperate attempts to survive in the hostile past as the threat of the dinosaurs looms ever closer.

Described by Cho as "what *Jurassic Park 3* should have been," *Guns and Dinos* will be a thrill-packed adventure of action and survival, told as only Cho can. Saddle up for an adventure out of time this November with the first issue of Image Comics' *Guns and Dinos!*

LOST IN TIME, A GROUP OF SOLDIERS AND SCIENTISTS MUST FIND A WAY TO STAY ALIVE IN THE JURASSIC PERIOD IN THIS NEW MINI-SERIES

This fall, Frank Miller, the legendary writer/artist behind *The Dark Knight Returns*, *Sin City*, and *300*, unleashes his newest vision, *Holy Terror*, from Legendary Comics. When his city comes under attack by violent extremists, the Fixer metes out a brutal justice with his own hands. Graphitti Designs features the Fixer on their newest t-shirt, the *Holy Terror by Frank Miller T-Shirt!* Wear this shirt and keep those evil-doers at bay!

THE FIXER STRIKES ON GRAPHITTI'S NEW FRANK MILLER T-SHIRT

Popular at the turn of the 20th-century, *art nouveau* entranced a generation of artists with its soft lines, stylized settings, and posed figures. Quantum Mechanix takes the women of Joss Whedon's science-fiction western *Firefly* and gives them an *art nouveau* makeover for the *Firefly: Les Femmes Poster Set*. Each of the 24" x 36" posters reveals unexpected depths in the characters and are perfect for framing.

Among the most popular trading cards of the 1980s were Topps' *Garbage Pail Kids*. Created by renowned cartoonist Art Spiegelman, the Garbage Pail Kids satirized popular children's toys and pop culture with their over-the-top artwork and punning wordplay. This autumn, Topps turns the clock back with the *Garbage Pail Kids* [illegible]

ADAM BOMB EXPLODES IN TOPPS' NEW GARBAGE PAIL KIDS SERIES

THE DARK KNIGHT IS BORN IN THE *BATMAN: YEAR ONE* ANIMATED MOVIE

In the wake of 1986's *Crisis on Infinite Earths*, DC Comics tapped several high-profile creators to reintroduce their characters to a modern audience. John Byrne, the fan-favorite writer/artist of *Uncanny X-Men* and *Fantastic Four*, reimagined Superman's origin. George Perez, the co-creator of the *New Teen Titans*, infused Wonder Woman with Greek mythology. And Frank Miller, coming off of *The Dark Knight Returns*, teamed with Daredevil artist David Mazzucchelli for *Batman: Year One*.

Batman: Year One parallels the dramatic story of Bruce Wayne's earliest days as Batman with the struggle of Gotham City's one honest cop, Jim Gordon. When a masked vigilante begins to threaten the Falcone crime family, Gordon finds himself trapped in a war between Gotham's corrupt police force and the criminal underworld.

This acclaimed story, named by IGN as one of the 25 Greatest Batman Graphic Novels, is now the latest direct-to-DVD DC Animated movie. Overseen by producer Bruce Timm (*Batman: The Animated Series*), *Batman: Year One* features an all-star voice cast, including Benjamin McKenzie (*The O.C.*) as Bruce Wayne, Bryan Cranston (*Malcolm in the Middle*) as Jim Gordon, and Eliza Dushku (*Dollhouse*) as Selina Kyle.

Available on both DVD and Blu-Ray, *Batman: Year One* brings Miller and Mazzucchelli's vision of Batman's earliest days to vivid life!

MCFARLANE TOYS TAKES YOU INTO THE FUTURE WITH THE *HALO: REACH* FIGURES 383

Last fall, Microsoft and Bungie released *Halo: Reach*, the long-awaited prequel to the best-selling Halo trilogy for the Xbox. Reach, one of humanity's most prosperous colonies, has fallen under attack by the genocidal Covenant, and the player takes command of Noble Team, humanity's last line of defense against the alien horde. McFarlane Toys' *Halo: Reach — Noble Team Action Figure 6-Pack* gives gamers and collectors the entire Noble Team squad: Carter, the team leader; Kat, the second-in-command; Jun, the sniper; Emile, the assault specialist; Jorge, the heavy weapons specialist; and Noble Six, the player character. The battle for the future is on this autumn!

56 MR. FANTASTIC KICKS OFF A NEW LINE OF STATUES FROM DARK HORSE COMICS

Fifty years ago, in November 1961, the Fantastic Four blasted off into space and ushered in the Marvel Age of Comics. This autumn, Dark Horse Comics celebrates the enduring mythology of the Marvel Universe with the *Classic Marvel Characters: The Fantastic Four #1: Mr. Fantastic Statue*, the first in a subseries of the Syroco statue line based on Marvel Comics' First Family. Based on the classic Jack Kirby design of Reed Richards, this statue, sculpted by Yoe! Studio, stands 5 1/2" tall and is strictly limited to 1,000 pieces. Be sure to order your Mr Fantastic statue and start a collection that will last a lifetime!

417 COLLECT YOUR FAVORITE SIMPSONS CHARACTERS WITH FUNKO'S NEW FIGURES

For over twenty years the Simpsons have been America's favorite animated family, and this fall you can collect all your favorite characters with Funko's new *POP! Simpsons Vinyl Figures!* Funko's POP! figures have a fun stylized design inspired by the designer toy movement and oversized heads typical of Funko's best-selling bobbleheads. Taken together, what you get is a cool collectible toy that is both stylish and fun, and with characters like Homer, Bart, and Marge to collect, these *POP! Simpsons Vinyl Figures* are the perfect addition to the collection of any *Simpsons* fan!

395 SEEK OUT NEW LIFE AND NEW MR. POTATO HEAD TOYS

Set your phasers to spud this fall as PPW Toys takes *Star Trek* fans where no potato has gone before with the new *Mr. Potato Head Star Trek: Kirk/Kor Set!* Just like the Mr. Potato Head toys you remember as a child, this *Star Trek*-themed tater two-pack stars two of the 23rd-centuries greatest antagonists — Captain Kirk of the USS *Enterprise* and Klingon Captain Kor of the IKS *Klothos*. Swap their pieces, or use other Mr Potato Head pieces, to recreate these *Star Trek* characters to your heart's content. Be sure to beam these Trekking tubers into your collection!

DEADLY AND ALLURING, KOTOBUKIYA'S X-23 STATUE WILL CAPTIVATE YOU 397

One of Marvel Comics' most alluring characters of the last decade is the enigmatic X-23. Cloned from Wolverine and trained to be a assassin, Laura Kinney is a dangerous warrior who struggles to balance her feral nature with her desire for a normal life. Both deadly and delectable, X-23 can be yours with Kotobukiya's latest *bishoujo*-styled Marvel Comics statue. Standing 6" tall, the *Marvel X Bishoujo: X-23 Statue* is based on a design by Shunya Yamashita, and her innocent look masks the danger that lurks within her! Add this lethal beauty to your collection this fall!

CELEBRATE FRIENDSHIP WITH ENESCO'S NEW DISNEY STATUE 389

Mickey Mouse and Donald Duck have been the longest of friends, and this November the enduring power of their friendship is brought to life by Enesco with their *Walt Disney Classics Collection: Donald & Mickey — Comic Book Companions Statue*. Its sculpt, based on a classic Carl Buettner cover to Walt Disney's Comics and Stories, depicts Disney's popular characters sitting together, reading a comic book. Friendship takes many forms, and for anyone who loves the Disney characters, this statue will bring the friendship of Mickey and Donald into their life!

With unparalleled military might and the diligent King Kull on the throne, there are few threats to the mighty Valusian empire, but among the top are the snake-men. They have the ability to change their shape to blend in with the populace, striking from the familiar. What, then, could terrify a snake-man? The greatest threats to civilization are just the pawns of a horrible wizard with powers that dwarf the considerable magics of the snake-men. What chance does Kull, a mortal man, stand against a seemingly all-powerful, immortal foe?

CLASSIC MARVEL CHARACTERS:

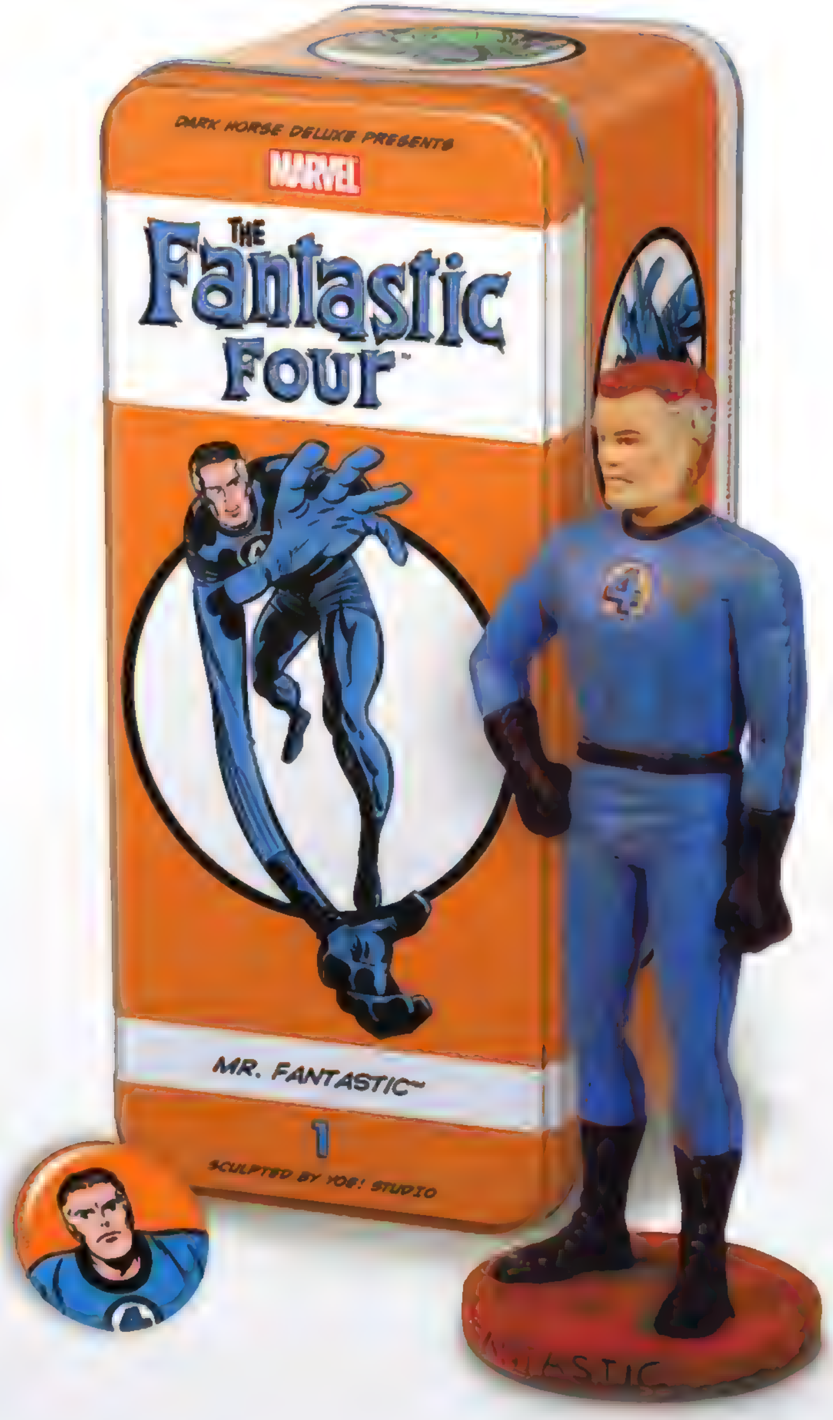
THE FANTASTIC FOUR #1—MR. FANTASTIC

On sale Nov 23

5 1/2" tall, limited to 1,000 numbered pieces
Packaged in its own tin box, with a pin-back button and character booklet
$49.95

Appearing in 1961, the Fantastic Four was the first superhero team created by writer-editor Stan Lee and artist and co-plotter Jack Kirby. It ushered in the "Marvel Age" of comics and was an immediate success.

The first statuette in the Fantastic Four Classic Character series is none other than Reed Richards as Mr. Fantastic. The ongoing character lineup will present these characters as they originally appeared, but they are deliberately different than what is common with a modern Marvel collectible sculpture, with features like a rougher surface texture, visible seam lines, and other slightly "distressed" aspects, such as paint application. Sculpted by Yoe! Studio.



DISNEY COMICS & STORIES CLASSIC CHARACTERS #5:

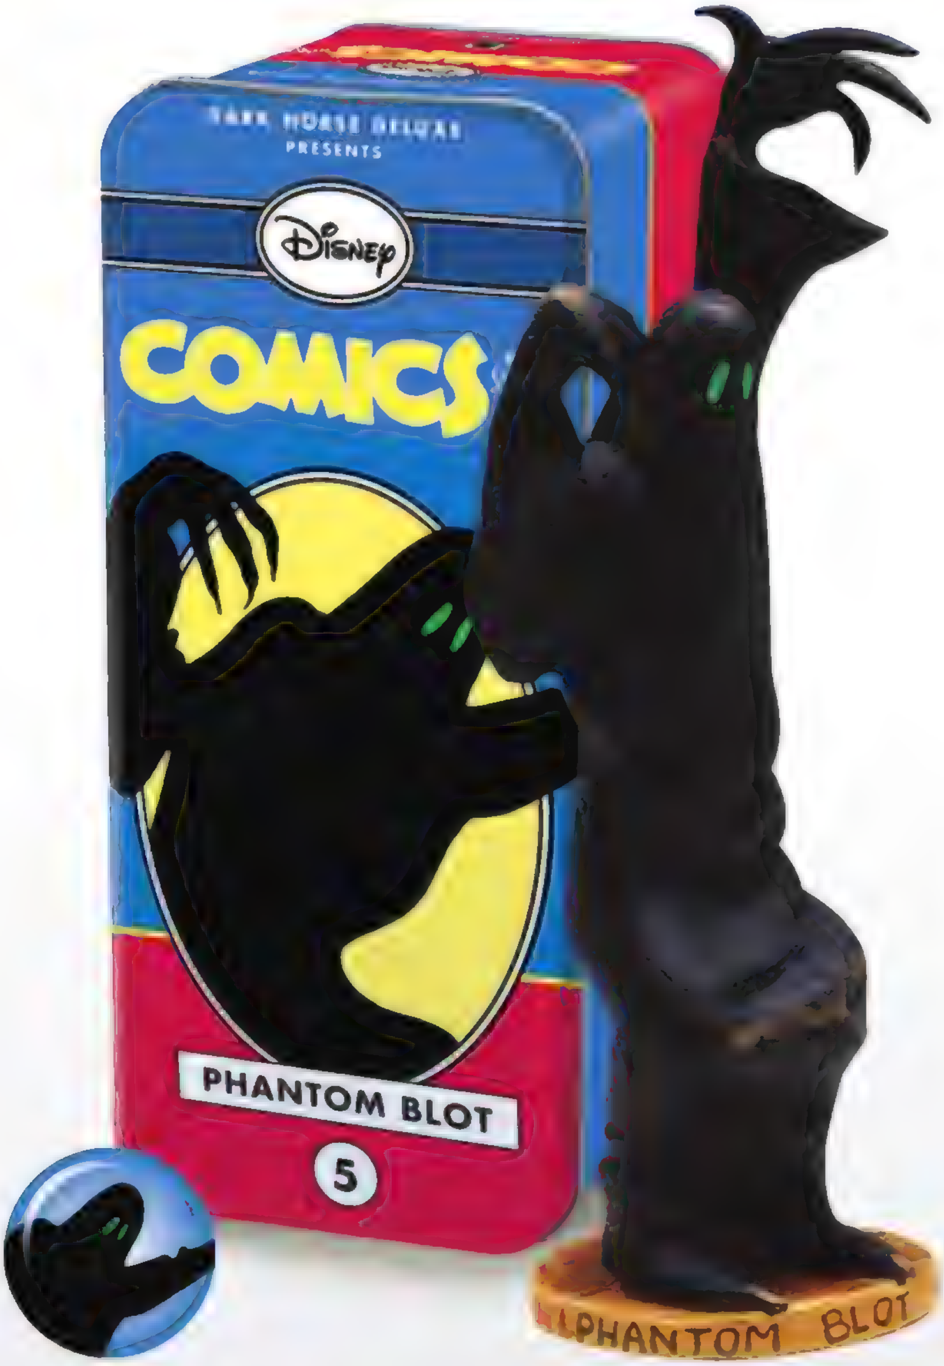
THE PHANTOM BLOT

On sale Jan 18z

6 1/4" tall, limited to 750 numbered pieces
Packaged in its own tin box, with a pin-back button and character booklet
$49.95

The fifth character in the Disney Comics & Stories series is a classic villain and longtime nemesis of Mickey Mouse, the Phantom Blot. This sculpture is based on the cover of "Mickey Mouse Outwits the Phantom Blot."

The Disney Comics & Stories series depicts the characters as they were originally presented in the comics, but they are also somewhat more rough hewn than is common, with features including rough surface textures, visible seam lines, and other slightly "distressed" aspects. Sculpting by Yoe! Studio.



CELEBRATING 25 YEARS

Twenty-five years? That's nothing! My Dark Horse history goes back even further, into the (*gasp*) seventies, when I started an amateur press alliance called Apa-Five. Typing and drawing our own personal zines was fun, but maybe more significantly, the group turned out to be the snail-mail version of social networking. Besides becoming good friends, many early members wound up as part of Dark Horse's startup, from yours truly to Paul Chadwick, Chris Warner, Randy Emberlin, Frank Miller, Randy Stradley, and Mike Richardson.

We all had the desire to somehow write and/or draw comics, but breaking in was the tricky part. (For some of us—whatever happened to that Miller fellow, anyhow?) I wound up moving to Los Angeles to try my hand at screenwriting, but comics were always a first love. So when Mike and Randy proposed launching their own publishing company and asked if I'd like to contribute, they didn't have to ask twice.

As it turned out, writing comics like *The American*, *Aliens*, *Predator*, and *Timecop* led to that career in film and television, often working with Dark Horse. And our paths continue to cross—as coexecutive producer/writer on *Falling Skies*, I had the pleasure of coordinating our prequel graphic novel with Scott Allie and crew. And as usual they knocked it out of the park.

Sometimes I'm asked if there's a secret to forging a career in the crazy worlds of film, television, and comics. If there is, I sure haven't figured it out yet. But over the years I've often found myself taking cues from Mike, Randy, and so many other friends at Dark Horse. Treat people fairly, approach projects with passion, work your tail off, and guess what? Sometimes good stuff happens. So here's to twenty-five years (plus!) of the good stuff from Dark Horse, knowing that the best is yet to come.

The game-changing, twice-monthly epic called "Tommy Taylor and the War of Words" begins now! Tom Taylor goes to war against the cabal that has tormented, imprisoned and tried to destroy him – and it's far more than just a war of words! To have a hope of winning, Tom must use every weapon he can get hold of, but even storybook magic carries its own risks.

And for a story unlike any you've ever seen, one issue a month isn't enough! In the special, standalone .5 issues, Tom's crusade plays out against the backdrop of the cabal's sinister secret history and delves deep into the dark past of some of the series' major players. When it's all over, very little will remain Unwritten."

Spies, explosions, voodoo magic, deadly beauties, high-caliber thrills, and high-octane destruction... action-adventure has a brand-new name, and it's JACK AVARICE! The world of spies and intrigue is very much real and lies hidden just below the surface. But when a down-on-his-luck kid who dreams of a life like the movies meets the world's greatest secret agent, he'll discover the reality of spycraft is far deadlier and more explosive than any movie he could imagine—and he now has a starring role! The explosive five-issue miniseries starts here!

THE DREAMER, VOL. 2

17-year-old Beatrice Whaley and her wildly vivid dreams about the American Revolution are back, much to her dismay, in this all-new graphic novel. After barely surviving a battle against the British Army in the first volume, she's relieved to find herself safely in the 21st Century again. But as soon as she falls asleep, the dreams pick right back up and she's just as confused as ever. Bea and her Revolutionary friends must escape New York City under the watchful eye of the British Army and the tension of living two lives finally brings her to the breaking point.

With a catastrophic fossil fuel shortage looming, several scientific and military groups are hard at work trying to find alternative fuel sources and modes of transportation to keep the United States military machine running. A small group of quantum scientists and engineers have made a breakthrough in transportation: space folding. Things go awry on its maiden voyage, though, and instead of teleporting the soldiers across the lab, it sends the entire military base back in time – with disastrous results!

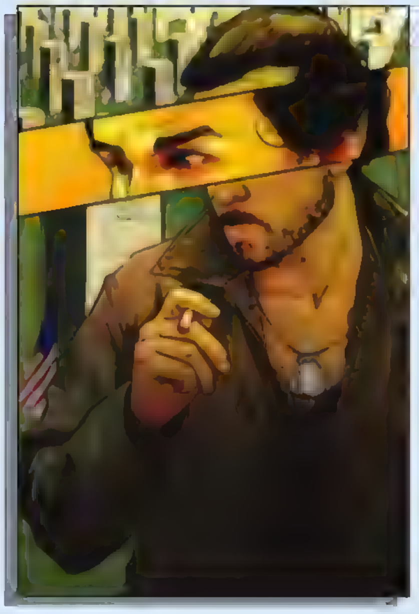
story **DAN CASEY** art **THOMAS NACHLIK** cover **ERIK JONES**

NOVEMBER 9 / 32 PAGES / FC / T+ / $3.99

Charles Witten is a brilliant scientist capable of inventing devices that will change our world. Unfortunately, most of the scientific community thinks he's a crackpot. As does the government, until... a precision team of heist men rob a bank in Switzerland using what appears to be Witten's dimension hopping technology. Technology that Witten designed, but never completed...

Writer/director DAN CASEY and artist THOMAS NACHLIK (LAST MORTAL) deliver fast-paced, action-packed science fiction that will keep you guessing.



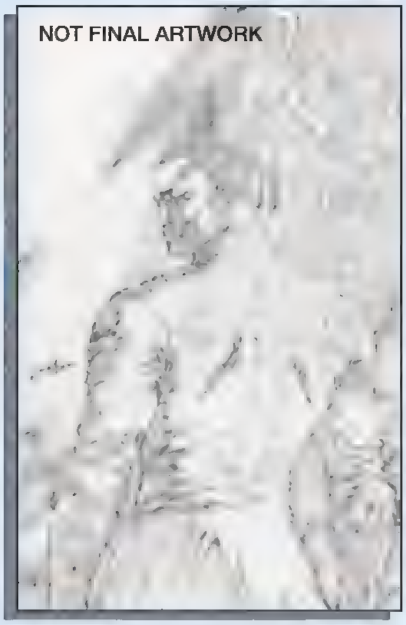
PILOT SEASON: ANONYMOUS #1

story **ALAN MCELROY** art **MICHAEL MONTENAT** cover **ERIK JONES**

NOVEMBER 16 / 32 PAGES / FC / T+ / $3.99

Marcus Walsh was an elite Special Forces soldier involved in black ops all over the world. Wet work like this takes its toll and Marcus wanted out, but this wasn't a job you quit. There was only one way out. Now believed dead and completely anonymous, Walsh struggles to use his black ops skills to atone for his past sins.

Screenwriter ALAN McELROY (SPAWN, Tekken) and newcomer MICHAEL MONTENAT delivers a hard-hitting adventure of redemption and conspiracy!



PILOT SEASON: SERAPH #1

story **LANCE BRIGGS & PHIL HESTER** art / cover **JOSE LUIS**

NOVEMBER 23 / 32 PAGES / FC / T+ / $3.99

The angelic warrior now known only as Seraph was once a sinner. After living a life of selfishness and sin, personal tragedy drove him to kill himself. Plucked on his way to Hell by Heaven, the man was made Heaven's soldier in an endless battle. Charged with fighting an ancient war, but bound by God's law, can Seraph triumph over opponents not restricted in the same way and regain his faith in the process?

Creator LANCE BRIGGS (Chicago Bears) and writer PHIL HESTER (THE DARKNESS, Wonder Woman) are joined by artist JOSE LUIS (Justice League of America) deliver a story of personal loss and redemption wrapped in a rich supernatural mythos.

UNSUNG HEROES

Since the Golden Age of comics in the late'30s and early '40s, heroes (super and otherwise) have been a staple of the comics. They thrill us with their exploits, and serve as examples of the heroic ideal we can all strive to emulate. We know them all, intimately, and follow their adventures faithfully.

Much like the Greek gods of myth, these heroes exist in varying pantheons, from the "titans" themselves — universally recognized and immortalized on TV, movies and other mediums — to the "demigods"; not "household names" per se, but just as deserving of the attention and respect of their fans. These are the "Unsung Heroes" of comics... the characters that stand tall in the shadows of legends.

This month, ***PREVIEWS*** pays tribute to these great characters, in hopes that they'll find new fans, and newfound recognition amongst readers and collectors alike. Look for our "Unsung Heroes" icon throughout this issue for more great heroes!

BROADCAST
The TV Doodles of Henry Flint

BROADCAST: THE TV DOODLES OF HENRY FLINT SC
(W) Cy Dethan (A) Henry Flint
The mind of Henry Flint is a galaxy of beautiful atrocities — a nightmare factory where the bestial becomes benign, the mundane magical. Henry Flint is at once a full-service doodling savant and a one-man alien zoo, and this never-before-seen collection of his personal work is an attempt to chart a single, crooked leg of the artistic journey he takes daily. Welcome to the best of the bestiary! (STK451990)

DETHAN CAREY COOK

THE INDIFFERENCE ENGINE: A HOLOGRAPHIC NOVEL SC
(W) Cy Dethan (A) Rob Carey
Responding to a strangely specific job advertisement, a distinctly ordinary twenty-something suburban slacker named Alan Blake finds himself in the middle of an inter-dimensional task force staffed entirely by superhuman alternate versions of himself. Struggling to find his place in this vast continuum of near-immortal doppelgangers, he uncovers a conspiracy that strikes at the very heart of the organization — a conspiracy that only *he* can stop. NAUGHTY AND NICE: THE GOOD GIRL ART OF BRUCE TIMM

Flesk Publications

Clean, neat, concise and accessible for all ages is how I normally would consider the work of Bruce Timm. With the release of Flesk Publication's *Naughty and Nice: The Good Girl Art of Bruce Timm* you can add sexy and provocative in describing his artwork.

This book showcases a number of full-color, line and pencil illustrations of semi-clothed and nude women in poses from pensive to assertive, from sophisticated city gal to savage jungle queen. Bruce gave Flesk Publications unprecedented access to his archives to provide the best representation of his private works. In these new and rarely seen images from the last 15 years, Timm combines lush brushstrokes and pencil work, a smooth and graceful economy of line creating some of the best designs of the female form.

Whether you are a fan of pin up art from Gil Elvgren to Dave Stevens or Adam Hughes, *Naughty and Nice: The Good Girl Art of Bruce Timm* is an excellent addition to your library of Good Girl Art.

MINX TP

(W) Andrea Grant
(A) Rey Arzeno, Mike Williams

They say, "If you die in your dreams, you die in real life…" For half-Native American Minx, this is no superstition — this is reality. Once a struggling young artist in New York City, Minx's life is changed forever after suffering a vicious attack and slipping into a coma. But she doesn't wake in the same world she left; rather, she finds herself in the Dreamtime, an alternate reality that humans inhabit when they sleep. With this transition comes great revelation and profound responsibility as Minx evolves into a sophisticated warrior, charged with protecting people from a complex agenda that seeks to transform nightmares into realities and realities into nightmares. But Minx's role as vigilante is not born from random coincidence: it is the result of elaborate conspiracy, ancient prophecy, and devastating betrayal! Featuring the full *Minx* storyline, plus tons of extras and an exclusive *Minx* sketch by David Mack! (STK451970) (C: 0-0-2)

Over a million species of undersea life forms exist under the surface, some dating back over four hundred million years old. Aspen Matthews, marine-biologist, has researched many of them in her past. Yet, nothing in her education could have prepared her for the recent discovery of the mysterious Church of the Eternal Depths.

Along with the help of her new ally Galrt, Aspen must prevent this ancient order from exerting their nefarious influence over the rest of the world. Something that will become infinitely more complicated as she discovers the Church has aligned itself with the Japanese government, which has learned to apply all of the technology it has recovered over the years–much of it from none other than the race of the Blue!

Writer: Garth Ennis
Art: Mike Wolfer
Format: MR, Full Color, 32 pages, Ongoing

PRODUCT DESCRIPTION: Garth Ennis and Mike Wolfer unleash the biggest horror series of the year! From the mind of Garth Ennis comes the modern chapter of an ancient horror. Ripped straight from the debut of his first-ever writing/directing effort comes the ongoing comic book continuation of the acclaimed short film, Stitched! The three survivors of an American military helicopter crash discover that there is something even more deadly than the Taliban controlled countryside they find themselves trapped in. Garth Ennis weaves a tale that combines today's headlines with his trademark vision of the supernatural into a modern horror masterpiece. Supported by the largest promotional campaign Avatar has ever done, this new on-going series is certain to appeal to Ennis' legions of fans as it pushes the envelope of horror beyond the boundaries of sanity and into fresh nightmares. Stitched #1 is available with a Regular cover, Wraparound cover, and Gore cover by series artist Mike Wolfer, and a special Stitched Movie Photo retailer incentive cover.

About: Comic book superstar Garth Ennis debuts his first-ever horror movie, STITCHED, on DVD! A terrifying short film written and directed by Ennis himself, STITCHED follows three survivors of an American helicopter crash as they struggle across the Taliban-controlled mountains of Afghanistan. Injured and lacking food, water, and medicine, they discover something far worse than enemy fighters among the sun-bleached rocks: an ancient supernatural power, murderous, and unstoppable! Packed with behind-the-scenes footage, this DVD includes a revealing "Making Of" documentary with cast and crew, GARTH ENNIS: CROSS COUNTRY- an hour-long career retrospective interview with Garth Ennis, production stills from the Arizona set, and hints about the new ongoing STITCHED comic book series, written by Ennis and spinning out of the horrors of the film!

WOLFSKIN HUNDRETH DREAM VOLUME TWO GRAPHIC NOVEL

Before history was recorded in stone and ink, some men wrote it in blood! The entire Wolfskin: Hundredth Dream six issue series is collected here. Wolfskin, a nomadic warrior, hopes to find a new purpose in life after the accidental slaughter of his own tribe while in the throes of an uncontrollable berserker rage. Hired as a guide and swordsman for a rescue mission to the volcanic ice plains, he travels north with a band of misfits and magicians whose skills and ideology is perched between prehistory and the advent of technology. What dreadful enemy will they face on the outskirts of civilization, and will Wolfskin even have a place in the world should he slay it? A new heroic legend from the darkest corridors of time, as chronicled by long-time collaborators Warren Ellis and Mike Wolfer (Gravel) with stunning art by Gianluca Pagliarani (Crossed 3D)!

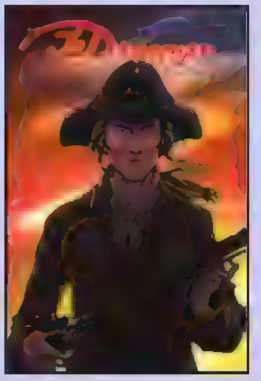
THE DREAMER VOLUME 2 TP

IDW Publishing



One day years ago, when I worked for EB Games, I said wearily that I was tired of seeing World War II, time and again, as a game. "Where's the love for the Revolutionary War?" I said. "I want a game where I can cross the Delaware and where I can have a realistic rate of musket fire!" It was an honest wish; the Revolution was my concentration in college, after all.

Years passed. I discovered that IDW Publishing was going to publish Lora Innes' *The Dreamer*, collecting the webcomic about a high schooler, Beatrice Whaley, who begins having vivid dreams of her life during the American Revolution, dreams just as real than her modern life. With two lives to live — and two handsome men to romance — in two different centuries Bea leads a complicated life.

And I absolutely loved it. Innes' artwork was stylish and detailed, her dialogue in two centuries rang true, and her characters were captivating. This November, IDW brings out another collection of Bea's adventures in *The Dreamer* Volume 2, and I can't wait. If you love history or comics that are both funny and romantic, *The Dreamer* is the book for you!

the PHANTOM

Hermes Press, Home of the Classic Phantom, Proudly Announces Volume Four in its complete reprint of the Complete Newspaper Dailies! This Archival Reprint boasts three complete stories and has 352 pages!

the PHANTOM
the complete newspaper dailies: Volume Four 1940-1943
lee falk and ray moore

THE PHANTOM the complete newspaper dailies by Lee Falk and Ray Moore: Volume Four 1940-1943; Hardcover with deluxe dust-jacket and endpapers; 100 pound matte finish coated stock paper; 352 pages; special 16 page color section with essay; fourth book in the series presenting the complete Phantom daily strips, 9" x 11.75" landscape format; three complete continuities: "Diana Aviatrix Lost"; "The Phantom's Treasure"; and "The Inexorables"; ISBN #978-1-61345-008-6; young adults and up; $60 (due to the higher page count of this volume the price has been slightly increased from previous volumes).

The critically acclaimed reprint of the Ghost Who Walks continues! The first three volumes are already sold out so act fast and pick up the fourth in the series as soon as you can! The first, original, and best masked hero to ever grace the pages of comic strips and comic books returns in the fourth volume of Hermes Press' new complete critically acclaimed reprint of The Phantom. Referred to by comic strip historian Maurice Horn as the "granddaddy of all costumed superheroes," The Phantom was created in 1936 by Lee Falk with artwork by Ray Moore. The strip hit the funny pages of newspapers well before the Dark Knight or Superman made their first appearances and has been acknowledged as an influence on every "masked man of mystery" since. The Phantom set the standard for action, adventure, intrigue, and romance in adventure comic strips and comic books – it has frequently been copied but never equaled.

Included in this volume are three complete Phantom adventures utilizing original King Features syndicate press proofs. See the strips in original, pristine condition.

The year is 1934, a time of two-fisted swashbuckling, of fearsome threats and wild adventure—and of ever-growing threats on the horizon.

Three valiant humans -- Flash Gordon, Dale Arden and Dr. Hans Zarkov -- are plucked from the Earth, traveling to the distant planet Mongo. Their exploits are legendary, battling the machinations and terror schemes of the dreaded emperor Ming, the All-Seeing Ruler of Mongo. But they did not fight alone...

Written by Eric Trautmann (*Vampirella, Red Sonja*), from a story and designs by Alex Ross (Kingdom Come, Marvels, Project Superpowers), and illustrated by Daniel Lindro (*Sherlock Holmes: Year One*).

The Boys Volume 9 collects three separate story arcs, including the momentous issue #50, with bonus pin-ups and interviews!

In issues #48-51: "Proper Preparation and Planning" — With Hughie absent, Butcher re-examines the Boys' first encounter with the Seven, trying to figure out what went wrong. But first there's some disquiet in the ranks to be dealt with, not to mention the return of an old and unexpected enemy who finally, incredibly, has come into his own. Meanwhile, on the Seven's floating headquarters, a flying lesson goes badly awry...

In issues #52-55: "Barbary Coast" — Hughie travels out west to finally meet Lieutenant-Colonel Greg Mallory, the man who started The Boys. All kinds of secrets await our hero, beginning with the terrible story of the first supes to see action in World War Two. When the revelations cease, will Hughie return, or walk away from the team forever?

In issues #56-59: "The Big Ride" — The countdown to the end begins, as Jack from Jupiter takes one step beyond... or does he? Hughie's triumphant return is not all he'd hoped for, but Butcher has bigger fish to fry. And The Boys meet the mysterious Doctor Peculiar...

One of the greatest epic fantasies of all time rises to dazzling heights in the third issue of this masterly graphic novel adaptation of George R. R. Martin's A Game of Thrones. King Robert has come to Winterfell, accompanied by his Lannister queen, Cersei; her son, Prince Joffrey; and her brothers, Jamie and the dwarf Tyrion, called the Imp. In their train come intrigue, treachery, and attempted murder that will shake House Stark to its very foundations. Meanwhile, across the Narrow Sea, the marriage between Daenerys Targaryen and the Dothraki horselord Khal Drogo wins her brother Viserys a dangerous new ally in his quest to reclaim the Iron Throne.

The Absolute Ultimate Gutters Omnibus Volume 1 is the first printed collection of the wildly popular Gutters comic. Written by Ryan Sohmer (Least I Could Do, Looking For Group), Gutters is a series of standalone pages that parody the comic book industry and the heroes and characters that dwell within. Each page is penciled, inked and colored by a different artist, varying from the industry veteran to the newcomer.

Volume 1 is an over-sized full color (and glossy) printed book. With a cover by Darick Robertson (The Boys, Transmetropolitan) and a forward by Daniel Way (Deadpool, Wolverine), you won't want to miss this.

From superstar creator Grant Morrison (Batman & Robin), comes "18 Days," the story of three generations of super-warriors, meeting for the final battle of their age. 18 Days, is a re-imagining of the great eastern myth, Mahabharata and follows the course of the climactic war that concludes the age of the gods and begins the age of man. It is the prototype for every war ever fought. The scale is epic, wherein the biggest armies ever conceived of face one another across the ultimate battlefield to decide the fate of the future. This hardcover illustrated script book from Dynamite Entertainment and Liquid Comics, will allow readers a first glimpse into the mythic animated series being developed by Morrison. The book reveals the inner workings of the acclaimed writer's process and features the original animation scripts, story bibles, character descriptions and commentaries. Grant's groundbreaking story is matched perfectly with original illustrations created by acclaimed artist, Mukesh Singh (Devi, Gamekeeper).

Vampire Hunter D

ADAPTED AND ILLUSTRATED BY
SAIKO TAKAKI

The Nobility have captured a young Frontierswoman named Tae and held her captive for 8 years, and her prison -- the remote Castle Gradinia -- can only be accessed by those brave (or senseless) enough to cross into the no-man's-land known as the Outer Frontier. The mysterious "people finder" Granny Viper has been charged with the recovery of the girl...but can she trust her hired escorts, the notoriously shifty Bullow Brothers? In a race across treacherous terrain, it will be up to D to lead the charge and level all enemies on this rescue mission!

Vampire Hunter D is famed horror-master Hideyuki Kikuchi's revolutionary tale of a beautiful Hunter and the war he is destined to wage against the bloodthirsty Nobility! D must intervene when the recapture of a young woman kidnapped by the Nobility is waylaid by a band of deviants whose unparalleled cruelty threatens the very lives of the rescue party! Will D make it across a vast desert and out of harm's way in time to save the girl?

THE ADVENTURES OF HERGÉ HC

(W) Jose-Louis Bocquet, Jean Luc Fromental
(A) Stanislas Barthelemy

The Adventures of Hergé is a biographical comic about the world-renowned comics artist Georges Prosper Remi, better known by his pen name, Hergé. Meticulously researched, with references to many of the *Tintin* albums and complete with a bibliography and mini-bios for each of the main "characters," the bibliography is appropriately drawn in Hergé's iconic clear line style as an homage to the *Tintin* adventures that have commanded the attention of readers across the world and of many generations. Seven-year-old Hergé first discovered his love of drawing in 1914 when his mother gave him some crayons to stay out of trouble. He continued drawing in school when he fatefully met the editor of *XXe Siècle* magazine, where Tintin first appeared. His popularity skyrocketed from the 1930s through post-WWII. Hergé was perceived by some to have aided the Nazi government in Belgium by continuing to publish *Tintin* in a government-sanctioned magazine, and he was briefly imprisoned in the aftermath of the war and narrowly escaped execution. Also covered are his marriage troubles in the 1950s and subsequent affair with Fanny Vlamynck, who went on to become his lifelong partner; his late career in the 1960s, as his interest in Tintin waned and he occasionally "disappeared" for weeks at a time as he contemplated giving up his career to become a fine-arts painter; and a recounting of a humorous encounter with Andy Warhol. WALT & SKEEZIX VOLUME 5: 1929-1930 HC

WALT AND SKEEZIX

CLASSIC COMIC STRIP REPRINTS

(W/A) Frank King
(E) Chris Ware, Jeet Heer

Frank King's *Gasoline Alley* remains one of the truest chronicles of American domestic life, tracing the joys and heartbreaks of a typical middle class family from the giddy 1920s to the Great Depression to World War II and after. In volume 5 of the ongoing series, the Wallets and their friends continue their daily rounds: Uncle Walt and his friends play the stock market, a risky proposition on the eve of Depression; Walt also takes his wife Phyllis on an extended vacation to England; cousin Lora starts dating boys; and Skeezix, now ten years old, has his first serious case of puppy love after being entranced by the coquettish new neighborhood girl Sally. Award-winning cartoonist and designer Chris Ware will add a special treat to the volume: a dvd which shows select scenes from Frank King's home movies of the 1920s. Augmenting the already impressive photographs that have accompanied this classic comic strip reprint series, the DVD demonstrates King's protean artistic talent and the links between his own family life and that of his beloved cartoon characters. (STK452148)

ACME NOVELTY LIBRARY VOLUME 20: JORDAN WELLINGTON LINT HC (SECOND PRINTING)

(W/A) Chris Ware

Jordan Wellington Lint, 51, is Chief Executive Officer of Lint Financial Products, a company he began serving in 1985 as assistant and advisor before working his way up its corporate ladder. Jordan has grown the company from a business lender and real estate speculator to a leading provider of network financial infrastructure services, making him one of the most influential and widely sought-after leaders in the securities industry. In his ongoing role as Chief Executive Officer and his dual roles as public servant and father, Lint continues to put his creative leadership and vision to work in a variety of challenging settings. He is married and is the father of two boys. (STK427479)

O/A ACME NOVELTY LIBRARY VOLUME 18.5 PX PORTFOLIO

(W/A) Chris Ware

A PREVIEWS Exclusive! This print portfolio, somewhat hedgingly entitled The ACME Novelty Library 18.5, contains all four "Thanksgiving" covers drawn by cartoonist and cultural commentator F. C. Ware for the November 27th, 2006 issue of *The New Yorker*, as well as the additional fifth comic strip which heretofore only appeared in digital form, all carefully printed in full color at an oversized 15" x 20" size on heavy paper and folded in half for easy recycling. As if this wasn't dreary enough, included is a new supplementary folded comic strip, measuring 16" x 11," which is also folded in half. Presented as the "Lower East Side" version of the even more ridiculously priced signed "Upper East Side" portfolio (which is, however, not folded in half) the consumer is asked to carefully weigh whether purchase of this object is truly necessary, and to act accordingly. STARS of the MONTH

ACME NOVELTY DATEBOOK VOLUME 2 HC

(W/A) Chris Ware

Straggling behind the mild 2003 success of cartoonist Chris Ware's first facsimile collection of his miscellaneous sketches, notes, and adolescent fantasies arrives this second volume, updating weary readers with Ware's clichéd and outmoded insights from the late twentieth century. Working directly in pen and ink, watercolor, and white-out whenever he makes a mistake, Ware has cannily edited out all legally sensitive and personally incriminating material from his private journals, carefully recomposing each page to simulate the appearance of an ordered mind and established aesthetic directive. All phone numbers, references to ex-girlfriends, "false starts," and embarrassing experiments with unfamiliar drawing media have been generously excised to present the reader with the most pleasant and colorful sketchbook reading experience available. Included are Ware's frustrated doodles for his book covers, angry personal assaults on friends, half-finished comic strips, and lengthy and tiresome fulminations of personal disappointments both social and sexual, as well as his now-beloved drawings of the generally miserable inhabitants of the city of Chicago. All in all, a necessary volume for fans of fine art, water-based media, and personal diatribe. (STK351479)

WALT & SKEEZIX HARDCOVERS

(W/A) Frank King

Edited and designed by award-winning comics virtuoso Chris Ware, these volumes reprint the early years of Frank King's *Gasoline Alley* featuring the story of *Walt and Skeezix*. NAUGHTY AND NICE: THE GOOD GIRL ART OF BRUCE TIMM
(W/A) Bruce Timm
In a radical departure from his previous work on animated films and comics featuring superheroes, award-winning artist Bruce Timm presents an extensive survey of the many forms that his muse has assumed in his mind's eye. *Naughty and Nice: The Good Girl Art of Bruce Timm* show cases over 350 full-color, line and pencil images of partially clothed and nude women of almost every conceivable description and temperament, accompanied by Timm's comments. Timm explores the female form with absolute creative freedom, and pure personal expression is the result. Over 125 new images have been prepared especially for this handsome book. The artist has granted Flesk Publications unprecedented access to his archives to provide the best representation of his private works. The signed deluxe hardcover edition is limited to 1,000 copies and will only be available through Diamond and direct through Flesk. (STK451915) (C: 0-1-1)

O/A JIM SILKE: JUNGLE GIRLS SC
(W/A) Jim Silke
Here they are, the most fabulous and provocative creatures in the world of fiction — Jungle Girls, from H. Rider Haggard's *She* and Edgar Rice Burroughs' *Jane* to modern, bold, daring and dangerous beauties that prowl his imagination. They're all here, the Jungle Goddesses, Queens, and Slaves as well as Tropic Tramps, Dragon Ladies, Harem Damsels, and semi clad Barbarians. It's not a history, but a celebration of that impossible, looney, glorious nonsense that Silke somehow finds essential. The book includes 52 original pieces of artwork and an extensive selection of movie stills and images from private collections. (STK425183)

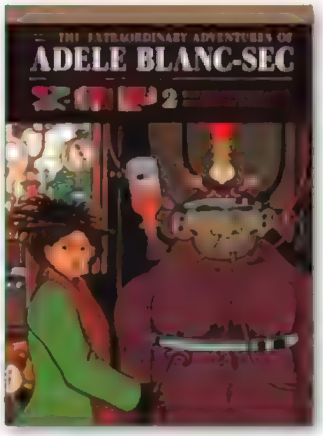
MR. TWEE DEEDLE: RAGGEDY ANN'S SPRIGHTLY COUSIN – THE FORGOTTEN FANTASY MASTERPIECES OF JOHNNY GRUELLE

Edited by Rick Marschall; Introduction By Tony Millionaire

$75.00 / HC / 128 pgs / FC / 14 x 18

Johnny Gruelle's unjustly forgotten masterpiece is reprinted here for the first time since its initial appearance in 1911. Gruelle depicted a charming, fantastical world filled with light whimsy and outlandish surrealism. The artwork is among the most stunning ever to grace an Amercian newspaper page, and Gruelle's painterly colors makes every page look like it was created on a canvas. This volume will present the first year of the forgotten masterpiece and selected episodes from later years, as well as special drawings, promotional material, and related artwork. A work for all times, all ages.

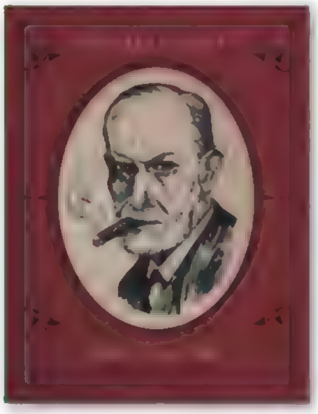


THE EXTRAORDINARY ADVENTURES OF ADELE-BLANC-SEC VOL 2: *The Mad Scientist / Mummies on Parade*

by Jacques Tardi

$24.99 / HC / 96 pgs / FC / 8.5 x 11.5

Jacques Tardi plunges us back into Belle-Epoque Paris for another double dose of heroic derring-do, evil and crazy malefactors, mad actresses and monsters! *The Extraordinary Adventure of Adele Blanc-Sec Volume 2* is the seventh book in Fantagraphics' acclaimed series of Tardi reprints, showcasing the rich variety of graphic novels from one of France's greatest living cartoonists (and winner of two Eisner Awards for *It Was the War of the Tranches*).



500 PORTRAITS

by Tony Millionaire

$22.99 / HC / 200 pgs / 2C 7.5 x 5.75

500 Portraits collects over two decades of portrait work by the award-winning creator of *Drinky Crow's Maakies, Sock Monkey* and *Billy Hazelnuts.* Millionaire's illustrations range from the famous (Bob Dylan), the infamous (Lynndie England), the fictional (Yoda) to the animal kingdom (a cockroach). The impeccable linework resembles that of Johnny Gruelle (creator of *Raggedy Ann and Andy*), whom he cites as one of his main sources of inspiration. Includes illustrations from *The Believer, The New York Times, The New Yorker, Ephemera Press Historical Maps, The Wall Street Journal,* and others.

KRAZY IGNATZ

KRAZY & IGNATZ 1922-1924: "At Last My Drim of Love Has Come True"

by George Herriman

$24.99 / SC / 216 pgs / FC / 9 x 12

With our 13th volume, the award-winning project of publishing every single *Krazy Kat* Sunday created by Herriman comes to a close. With its fantastically inventive language and haunting desert decor, *Krazy Kat* has been rated the best comic strip ever created. The book includes 10 rare full-color strips, a "DeBaffling" section explaining period references and in-jokes, a selection of recently-unearthed samples of Herriman's very first published comic strip, and the entire full run of the never-before-collected 1920s full-color *Us Husbands* strip. And as with the previous 12 volumes, Chris Ware has provided the superb covers.

KRAZY & IGNATZ: FIRST SUNDAYS 1916-1924

by George Herriman;
Edited by Bill Blackbeard

$95.00 / HC / 600 pgs / FC / 9 x 12

Finally! Looping back to the very beginning, Fantagraphics releases its third (but chronologically first) hardcover omnibus collection of George Herriman's Sunday Krazy Kat strips, nine years' worth of black-and-white masterpieces (and 10 color strips), plus all the bonuses (other rare strips, the entire Us Husbands) that appeared in the three softcover volumes collected in this one. Available only in limited quantities, never to be reprinted!

AMAZING MYSTERIES

AMAZING MYSTERIES: THE BILL EVERETT ARCHIVES VOL 1

edited by Blake Bell

$39.99 / HC / 224 pgs / FC / 7.25 x 9.5

Amazing Mysteries: The Bill Everett Archives is a stunning companion to 2010's critically acclaimed *Fire and Water*. This volume collects over 200 pages of never-before-reprinted, beautifully restored, full-color stories from one of comic books' greatest visionaries and most accomplished artists. The resulting package enhances Everett's place in history as one of the first and best comic-book creators of all time.

ATHOS IN AMERICA

by Jason

$24.99 / HC / 200 pgs / FC / 5.5 x 8.5

Fantagraphics' proud relationship with the multiple award-winning artist continues with another collection of full-color graphic novellas in the tradition of *Low Moon*. The title story is a prequel to the graphic novel *The Last Musketeer*, in which the ageless swashbuckler tells the tale of playing himself in a film of *The Three Musketeers*. Also included are "The Smiling Horse," "The Brain That Wouldn't Virginia Woolf," the Bukowski pastiche "A Cat From Heaven," "Tom Waits on the Moon" and "So Long Mary Ann," a prison-escape love-triangle story. Dry, mordant and all very Jason!

TALES DESIGNED TO THRIZZLE #7

by Michael Kupperman

$4.50 / 32 pgs / FC / 6.75 x 9.5

In this issue Quincy, M.E. makes his comic book debut, struggling through the fantastic landscapes of his own dreams in "Quinception," in which St. Peter also gets his own comic book. Snake 'n' Bacon make an appearance in "Reservoir Dogs 2," where the gang reunites for another caper. Twain and Einstein deal with some family issues, and a special section of History Comics presents the story of the Kennedy/Nixon debate and the incredible saga of Bertrand DeCoupeur, alias The Scythe!

An amazing new way for collector's to display!

New to the market, Fun Publications presents the highly anticipated "Action Figure Display System" for displaying many different brands of modern 4" action figures such as G.I. Joe, Star Wars, Marvel Universe and many more. What sets this system apart from other "figure stands" on the market is the wide variety of ways it can be integrated into almost any collection. It is MORE than just a "stand".

Diorama style backdrop cards can be used to create mini-environments utilizing an upright clip arm and another clip at the rear foot of the base. The upright arm can also be removed and the foot clip used to display file cards or other package elements. Carded figures can also be displayed along side an "out of package sample" as well.

This truly is an amazing new way for collectors to display!

Told in widevision!

KOLCHAK THE NIGHT STALKER: THE LOVECRAFTIAN HORROR SC

(W) C.J. Henderson (A) Jaime Calderon

When Carl Kolchak starts to follow the trail begun by the photographing of a strange sea creature, one more reminiscent of the creature from the black lagoon than a shark or tuna, he suddenly finds himself being drawn into a nightmare world so fantastic, so utterly alien and frighteningly dark that even his massive psychic defenses begin to crumble. For once, Kolchak isn't just following a story. This time he's crossing the threshold into another reality, one which could possibly destroy both his mind, and the entire world! (STK333046)

habibi

Sprawling across an epic landscape of deserts, harems, and modern industrial clutter, HABIBI tells the tale of Dodola and Zam, refugee child slaves bound to each other by chance, circumstance, and love. Contemporary and timeless, HABIBI gives us a love story of astounding resonance: a parable about our relationship to the natural world, the cultural divide between the first and third worlds, the common heritage of Christianity and Islam and the magic of storytelling.

HABIBI: SIGNED LIMITED BOOKPLATE EDITION HC

(W/A) Craig Thompson
Habibi is a deeply romantic story that explores and celebrates the beauty and cruelty, the complexity and depths of the Islamic world. Set in a mythical Middle East, *Habibi* is a parable about our relationship to the natural world, about the cultural divide between the First World and the Third World, and about the common heritage of Christianity and Islam. The magic of storytelling allows us to see the fragility embedded in cruelty, to understand how beauty can preserve us from destruction and how love can save us from loss of hope. WORLD WAR 3
ILLUSTRATED
تحرير
LIBERATION
No42
FROM THE
MID-EAST TO THE
MID-WEST

Nothing gives us more hope than the uprisings we see taking place around the world. We see the spirit of rebellion spreading from Tunisia to Cairo to Libya to Wisconsin. These events remind us that human rights should be universal. We are elevated and humbled by this vision. We are reassured that all human beings want the same things; peace, prosperity, freedom of expression and self-governance. In a word TAHRIR (LIBERATION).

WORLD WAR 3 ILLUSTRATED #42 is dedicated to the possibilities for liberation around the world and here in the U.S.

TANK GIRL: CARIOCA #3
(W) Alan Martin (A) Mick McMahon
The beautifully planned and executed (so to speak) murder of a famous TV game show host have had unexpected consequences on Tank Girl's psyche. What should have been a dish of revenge best served red hot and spicy has left her hollow and empty. She has renounced her violent past and sought Nirvana but, like the band, it's all ended in bloodshed and she now has seriously hardcore mercenaries in hot pursuit and keen to bring her to justice. Will she find the path to enlightenment or the road to Hell? (STK451776)

STAN LEE & JACK KIRBY: THE WONDER YEARS SC

(W) Mark Alexander

Celebrate the 50th Anniversary of *Fantastic Four* #1 with this new book about the two pop-culture visionaries who created the Marvel Universe and a decade in comics that was more tumultuous and awe-inspiring than any before or since. Calling on his years of research, plus new interviews conducted just for this book, regular *Jack Kirby Collector* contributor Mark Alexander traces both Lee and Kirby's history at Marvel Comics, and the remarkable series of events and career choices that led them to converge in 1961 to conceive the Fantastic Four It also documents the evolution of the FF throughout the 1960s, with previously unknown details about Lee and Kirby's working relationship, and their eventual parting of ways in 1970. With a wealth of of historical information and amazing Kirby artwork, *Stan Lee & Jack Kirby: The Wonder Years* beautifully examines the first decade of the FF, and the events that put into motion the 1960s era that came to be known as the Marvel Age of Comics! NO LONGER HUMAN
VOLUME 2 GN
(W) Osamu Dazai (A) Usamaru Furuya
Furuya's adaptation of *No Longer Human* takes place nearly seventy years after Dazai's original. Set in modern day Tokyo, Dazai's tale details the life of a young0 man originally from a well-off family from Japan's far north. Yozo Oba is a troubled soul incapable of revealing his true self to others. The comic is narrated by the artist, Furuya himself, making appearances at the start of each volume. In many ways, it could be said that Furuya has traveled a path that may be similar to Dazai's. Maybe that is what led these two together after 100 years. (STK451831) (C: 0-1-2)

BOOM! Studios/KABOOM!

Snoopy and the gang are back in a new ongoing series from BOOM! Studios' kaboom! imprint. I can hear the familiar Vince Guaraldi theme song playing in my head now in anticipation. I am looking forward to see what antics Charlie Brown and his friends get into in this new series. *Peanuts* are one of the licensed properties that will always feel comfortable to me, no matter how many years it has been since I was glued to the television for the animated specials every holiday as a child. I am excited to see how the creative staff around this project expands upon such a loveable, and well-known animated property into new content. Knowing there's new content on the horizon makes me wonder if Charlie Brown will ever get to kick that football. Here's to hoping they make Lucy less devious this time around.

THE BATMAN FILES

When Matthew K. Manning stumbled upon an unmarked box enveloped in nondescript brown paper wrapping left on the front steps of his Mystic, Connecticut home, he had no idea it would prove to be one of the greatest journalistic discoveries in recent history. Upon carefully opening the suspicious package, Manning discovered a large book adorned only with the emblematic bat-symbol. One of the world's foremost historians on Batman lore, Manning soon realized he held in his hands the infinitely mysterious and previously unknown secrets of the Batman.

Produced in conjunction with Warner Bros. Consumer Products and DC Entertainment, Andrews McMeel is proud to present *The Batman Files*—an exact replica of the amazing book that Manning unearthed that day. This groundbreaking volume reveals the entire history and evolution of one of the most iconic figures in comic history, from the early days of his life, his parents' death, and early training, up to his most recent exploits and triumphs.

Private photos and journal entries peer into the inner life of Bruce Wayne, as hundreds of illustrations and sketches penned by the Dark Knight illustrate his metamorphosis from impassioned visionary to unparalleled crime fighter. Among the features included in *The Batman Files*:

- Top-secret blueprints of the Batcave, Batmobiles, Batman costumes, and weapons schematics
- Original Gotham City newspaper articles
- Official police records and crime scene photos
- In-depth villain dossiers and Arkham Asylum psychiatric profiles
- File printouts from the Batcomputer itself

THE SILVER AGE OF COMICS
Fantastic Four

THE SILVER AGE OF COMICS SC
(W) William Schoell
The Silver Age of Comics looks at super-hero comic books that were published in the mid-fifties to late sixties, a period when super-heroes, most of whom had been replaced by science fiction, crime, and romance comics, once again gained popularity and grew to virtually take over the whole comic book industry. The book not only looks at popular and lesser-known series including those from smaller publishers such as Charlton and Gold Key, commenting on the most interesting stories, it also examines the artists who were prominent during this period, and looks at why their work could be so effective on different strips. The book also looks at how different comics reflected — or didn't reflect — the changing mores and attitudes of the turbulent times when civil rights, women's rights, and other social movements got more and more attention. WIPED!
DOCTOR WHO'S MISSING EPISODES
RICHARD MOLESWORTH

In the 1960s, the BBC screened 253 episodes of *Doctor Who* starring William Hartnell and then Patrick Troughton as the time travelling Doctor. Yet by 1975, the Corporation had wiped the master tapes of every single one of these episodes. Of the 124 Doctor Who episodes starring Jon Pertwee shown between 1970 and 1974, the BBC destroyed over half of the original transmission tapes within two years of their original broadcast. *Wiped!* looks in detail at how the episodes came to be missing in the first place, and examines how material subsequently came to be returned to the BBC. Along the way, those people involved in the recovery of lost slices of Doctor Who's past tell their stories in candid detail, many for the very first time. AMAZING FIGURE MODELER #51

The *AFM* crew is amped up and ready to roll with all new pulse pounding feats of modeling excitement. First take an expedition to the wild Jungles of Africa in search of the perfect diorama on the legendry Lord of the Apes, Tarzan. Next travel back in time to the Crusades and prepare for some armor-smashing action as Revell's horse mounted Golden Knight is pitted against the dreaded Black Knight. Needful Things' James Bond, the debonair secret agent with a license to kill will be represented in fine fashion as will Sinbad the Sailor, a current release from Monarch. (STK452014) (C: 0-1-1)

GEEKY-GIRLY INNOVATION: A JAPANESE SUBCULTURIST'S GUIDE TO TECHNOLOGY & DESIGN HC

(W) Morinosuku Kawaguchi
Analyzing everything from super-toilets to cute character stationery goods, from Kabuki to manga and anime, from bikes to robots, this visionary book by a leading Japanese strategy expert supplies a road map for the future of international technology and design. The Japanese have leveraged the childlike, feminine, cute aspects of their *otaku* (geek) culture into top-tier products for world markets. What does this mean for the human/object interface? How can we personalize and pleasurize design? The answers may lie in our entertainments, innocence, and obsessions. (STK451642) (C: 0-1-2)

Revan: hero, traitor, conqueror, villain, savior A Jedi who left Coruscant to defeat Mandalorians — and returned a disciple of the dark side, bent on destroying the Republic. The Jedi Council gave Revan his life back, but the price of redemption was high. His memories have been erased. All that's left are nightmares — and deep, abiding fear. What exactly happened beyond the Outer Rim? Revan can't quite remember, yet can't entirely forget. Somehow he stumbled across a terrible secret that threatens the very existence of the Republic. With no idea what it is, or how to stop it, Revan may very well fail, for he's never faced a more powerful and diabolic enemy. But only death can stop him from trying. (STK451644) (C: 0-1-2)

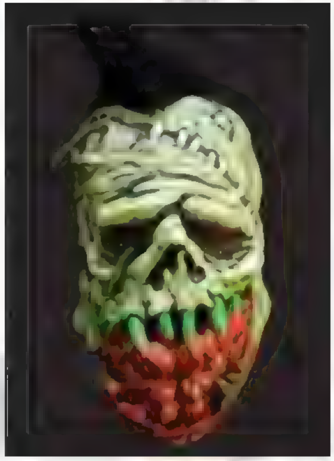
O/A RADIO ACTIVE ZOMBIE FULL HEAD MASK

The Radio Active Zombie was created the day his live body was disposed of in a drum of radioactive waste and throw into a deep-water river. This poor victim was planning to tell the authorities about the local power plants disposal practices. Unfortunately, the perpetrators didn't consider that the radioactive gunk would reanimate our Good Samaritan, something they realized when the Radio Active Zombie got its revenge. This radioactive creation was sculpted by Justin Mabry. (STK445463) (1751/JM101) (C: 0-1-3)
Mask $56.99

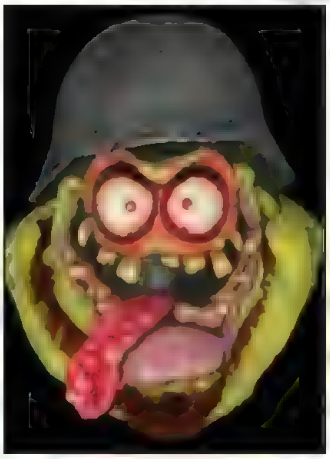


O/A BRAIN EATER FULL HEAD MASK

Direct from demented mind of the great Eric Pigors, comes one of the most disgusting of all Toxictoons, *Brain Eater*. This horrific zombie has a very strong appetite for fresh human brains. Brain Eater is the ultimate Toxictoon and comes with a fresh brain, stitches and dangling worms. This amazing zombie was sculpted by Chris Russell and has all the characteristics that make Brain Eater his charming self. (STK445462) (1751/CREP100) (C: 0-1-3)
Mask $59.99

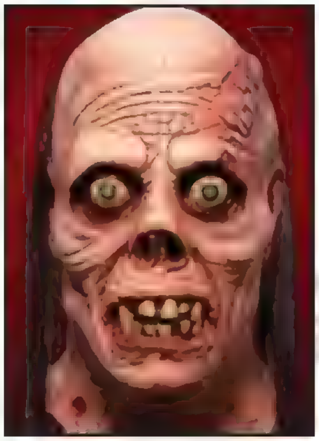
O/A SURF KOOK FULL HEAD MASK

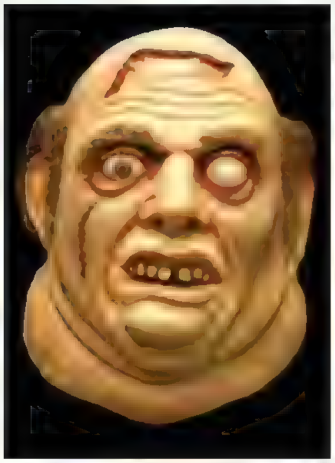
Following in the footsteps of 60s Hot Rod classic icon Rat Fink, Johnny Ace and Kali Verra continue to honor the spirit of Ed "Big Daddy" Roth with their amazing creation, Surf Kook. This wacky weird biker, with his bulging eyes, wacky tongue, helmet, and beard is sure to be the hit of the party! (STK445470) (1751/NKJA100) (C: 0-1-3)
Mask $64.99



O/A GHASTLY GHOUL FULL HEAD MASK

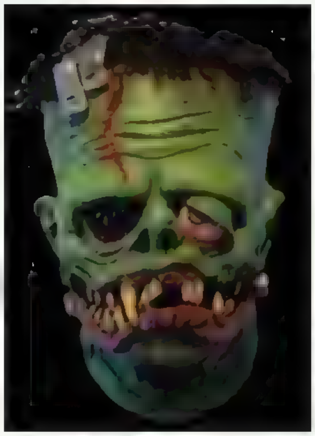
In the darkest graveyard, you will find the Ghastly Ghoul praying on the bodies of the living and the dead. When human, the Ghastly Ghoul delighted in the macabre and made a deal with the devil to live forever. However, when his life finally ended, he got more than he bargained for and was transformed into the vilest of all the undead creatures. The Ghastly Ghoul was sculpted by Justin Mabry. (STK445465) (1751/JM103) (C: 0-1-3)
Mask $56.99





O/A DR. DEADLY FULL HEAD MASK

Appalling to parent groups in the 1970's as part of the "Monster Scenes" model kit series, Dr. Deadly and his wares were aggressively protested and ultimately banned from store shelves nationwide. Decades later, the devious doctor and his deranged dungeon have been raised from the dead. And now, Trick or Treat Studios brings fans a first-ever mask of the infamous Dr. Deadly! Plus: Attached to the Dr. Deadly mask is an all-original mini comic by Jim Craig that features the horrifically shocking origin of Dr. Deadly! Halloween will be frightening this year with Dr. Deadly! (STK445467) (1751/JMDP100) (C: 0-1-3)
Mask $59.99

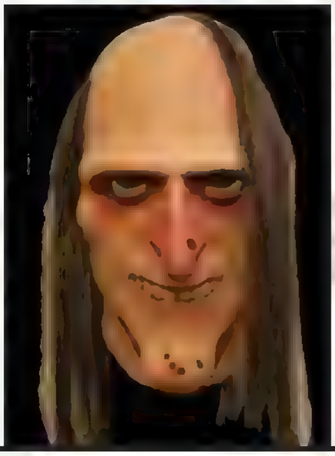


O/A FRANKENFINK FULL HEAD MASK

Followed by the 60s Hot Rod classic icon Rat Fink, Johnny Ace and Kali Verra continue to honor the spirit of Ed "Big Daddy" Roth with their amazing creation, *Franken Fink*. Thanks to the work of Art Director Justin Mabry, Trick or Treat Studios presents the first-ever officially-licensed Franken Fink mask. So pull your eye out, put on your best motorcycle jacket, and get ready to transform into coolest Frankenstein ever! (STK445468) (1751/JMJA100) (C: 0-1-3)
Mask $59 99

O/A UNCLE CREEPY FULL HEAD MASK

Creepy was an American horror-comics magazine launched by Warren Publishing in 1964. Like *Mad*, it was a black-and-white newsstand publication in a magazine format. Each issue's stories were introduced by the host character, Uncle Creepy. Now for the first time in almost 20 years, Trick or Treat Studios and New Comics Company, LLC is proud to offer the Offically Licensed Uncle Creepy Mask! (STK445466) (1751/JMDB100) (C: 0-1-3)
Mash $59.99



O/A OL' SCRATCH FULL HEAD MASK

Ol' Scratch, the Overlord of all the dukes of Hell rules by both might and wit. He is physically stronger than any other devil and the most cunning and artful. His mighty palace rests upon the floor of the lowest rift in Hell's ninth plane. Now you can be the ultimate Overload of all evil! Inspired by the Arch-Devil, Asmodeus, Neal Kennemore delivers this master piece of mask making to Trick or Treat Studios. You will marvel at the detail of this mask. Complete with horns, helm and the vintage Devil goatee, Ol' Scratch is ready to rise among the living. (STK445469) (1751/NK100) (C: 0-1-3)

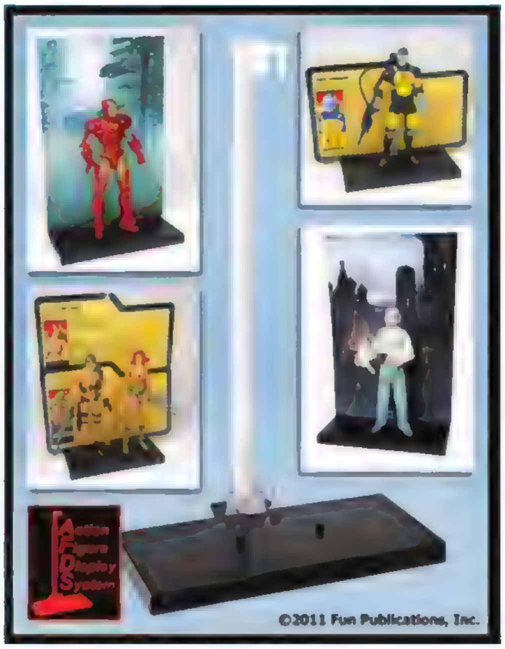
ACTION FIGURE SUPPLIES



ACTION FIGURE DISPLAY SYSTEM 3-PACK

Fun Publications has developed the *Action Figure Display System*, ideal for displaying different brands of 4" action figures such as *G.I. Joe*, *Star Wars*, Marvel Universe, and many more. What sets this system apart from other figure stands on the market is the many ways it can be integrated into almost any collection. Diorama-style backdrop cards can be used to create mini-environments utilizing an upright clip arm and another clip at the rear foot of the base. The upright arm can also be removed and the foot clip used to display file cards or other package elements. The bases have two individual foot pegs, which allow unique posing ability for single figures, giving maximum stability, or two figures can be displayed together by allocating one foot peg to each figure. POP-SEQUENTIALISM: COMIC ART OF THE MODERN AGE SC

POP-SEQUENTIALISM
LA LUZ DE JESUS GALLERY

(W) Matt Kennedy

Few art forms have gone as unchanged and unrespected for as long as sequential art, and yet none has had as tremendous an impact as the superhero comic book. Comic book superheroes are the post-modern mythology, inspiring generations of global youth while reflecting the society that spawned them. More than just dynamic illustrations on a page, the comic book is a medium that tells stories, and by presenting an exhibition that celebrates the collaborations of the greatest storytellers, the intention of this exhibition is to open a serious dialogue on the importance of this art form. This catalog features all 44 pages of original production art featured in the landmark Pop-Sequentialism Exhibit. Fittingly formatted like a modern *80 Page Giant* and priced accordingly, curator Matt Kennedy presents a perfect gateway for the appreciation of comic book art which reveals a lifetime of dedication in the process. Limited to 1,000 copies. (STK452357) Scheduled to ship in November 2011. (6856/WACK0001) (C: 0-1 3)

DARK DRAGON CHILD 12-INCH PLUSHES

The mysterious Dark Dragons appear to be arrogant, stubborn creatures, egocentric even. Most prefer to keep their distance due to their strange, dark appearance. But should one decide to befriend you, you'll find that they are just careful about whom they trust, once their trust is gained, you can begin to feel relaxed in their easygoing presence. Although confident in themselves, and their own abilities, they have a hard time finding others that understand them and their ways. The child Dark Dragon is often found alone most of the time, although they are not averse to playing with the others, when they can find them still awake that is! Their horns are developing, and their huge claws are strong enough now to be able to dig into solid rock, often digging small caves for themselves to rest. DOMO

DOMO 6-1/2-INCH PLUSHES

While Japan's favorite monstrous mascot Domo may like to spend his days chasing kittens and getting into wacky adventures, he also makes for a loveable and huggable plush companion with a new line of 6 1/2" tall plushes that sport a variety of different looks. Domo sports some corrective orthodontia to correct his monstrous teeth with the *Braces* plush. He also likes anime with the *Cat Hat* plush. When chasing kittens he needs to be scary so he dresses in a *Dinosaur* costume. Disguised as a *Panda Bear*, Domo might be able to get at the panda's supply of tasty bamboo! Dressed in spandex and a cape, *Superhero Domo* is ready to spring into action. As a *Teddy Bear*, Domo is surprisingly sedate. And for giggles, the squeezable *Farting Domo* is will gas and break wind as he finds some intestinal relief. (STK451433) Scheduled to ship in October 2011. STAR WARS OBI-WAN KENOBI A NEW HOPE ARTFX STATUE

A **KOTOBUKIYA** Japanese import! Kotobukiya's amazing line of Star Wars ARTFX Statues is back, bringing the heroes and villains of the Star Wars universe to life in dynamic 1/7th scale statues. Following the release of Darth Vader comes the original Jedi and hero of the first Star Wars film, **OBI-WAN KENOBI A NEW HOPE!** Obi-Wan wields both lightsaber and the Force in a battle stance that's defensive and yet powerful at the same time, a Kotobukiya original pose! The Jedi has never looked so good with an incredibly detailed sculpt that captures his intricate flowing robes as well as his Alec Guinness-inspired head sculpt. Obi-Wan comes with two different hoods for your choice of display options: up or down. And that's not all; Kenobi's iconic blue lightsaber contains an LED for brilliant illumination of this elegant weapon from a more civilized age. Sculpted by Busujimax (Takaboku Busujima), Obi-Wan Kenobi stands approximately 10 inches tall (1/7th scale) on an exclusive display base that's reminiscent of the Death Star flooring. The elder Jedi will look great in your Star Wars collection, especially with his light up lightsaber!

MARVEL COMICS MAGNETO FINE ART STATUE

A **KOTOBUKIYA** Japanese import! In 1963 the X-Men debuted, mutants trying to make the world a better place for both them and humans. Such powerful and idealistic heroes needed a suitably strong villain, and so in X-Men #1 appeared one of Stan Lee and Jack Kirby's finest creations, **MAGNETO**! A master of magnetism with control over metal, force fields, and flight powers, Max Eisenhardt had worked with Charles Xavier until their philosophical differences became too great. One of the most popular comic book characters and villains over the last 40 years, Magneto finally gets his due with an outstanding Fine Art Statue. Sculpted by Erick Sosa, Magneto hovers above a field of debris from Charles Xavier's School for Gifted Youngsters. Best of all, you can choose to display the mutant with either of two included interchangeable heads, with or without his trademark helmet! Whether he's menacing your X-Men or leading them, Magneto will be a stand out in your Fine Art Statue collection!

TEKKEN TAG TOURNAMENT 2 – CHRISTIE MONTEIRO BISHOUJO STATUE

A **KOTOBUKIYA** Japanese import! With its thrilling martial arts action, the Tekken series of video games from Namco has been a huge hit with players since the original arcade game in 1994. Kotobukiya is proud to present the first Tekken Bishoujo Statue, **CHRISTIE MONTEIRO**! The exotic capoeira master is based on an illustration by renowned Japanese artist Shunya Yamashita, known for his video game character designs and beautiful illustrations. The capoeira master performs one of her unique moves, balancing on her right leg with the left tucked beneath her. Christie rotates at the waist with her arms extended, her body a fluid wave of motion. Sculpted by Busujimax (Takaboku Busujima), Christie stands nearly 10 inches tall (1/7 scale) on her special display base. Display this fighting beauty in your collection and enjoy her great look down to the translucent pvc used for realistic hair detail!

MARVEL BISHOUJO COLLECTION X-23 BISHOUJO STATUE

A **KOTOBUKIYA** Japanese import! The popular Marvel Bishoujo collection (combining iconic superheroines and villains with traditional Japanese stylings) continues to bring you the amazing beauties of the Marvel Comics universe as you've never seen them before. The line returns to heroic mutants with the beautiful and lethal **X-23** appearing here in the Japanese Bishoujo (pretty girl) style based on an original character reinterpretation by renowned illustrator Shunya Yamashita. Tempering her deadliness with a smile on her face and a relaxed pose, X-23 is still ready for anything. She crouches on one knee, ever alert for danger with her weapons extended; her wicked adamantium claws are quite eye-catching on both hands and her right foot. Highly detailed sculpting brings out the intricacies of X-23's banded and laced boots, her unique linked-ring belt, and medallion necklace. X-23 is 6 inches tall (in the Marvel Bishoujo 1/7th scale) crouched on her exclusive terrain base. Hunt down this beautiful mutant before she hunts you!

Player's Option: Heroes of the Feywild enables players to weave elements of the Feywild into their existing and future characters, in much the same way that *Player's Option: Heroes of Shadow* gave players reasons to explore their characters' dark connections to the Shadowfell. This book contains exciting new character builds and options that are thematically rooted to the Feywild, a wild and verdant plane of arcane splendor, full of dangerous and whimsical creatures. Characters who trace their origins or backgrounds to the Feywild gain access to unique feats, powers, and mechanics. The book explores what makes fey-themed characters so fun and distinct! BATMAN: YEAR ONE

Comics legend Frank Miller's classic retelling of Batman's gritty, formative days makes its full-length animated debut in *Batman: Year One*, the next entry in the popular, ongoing series of DC Universe Animated Original Movies. *Batman: Year One* is based on the landmark 1987 DC Comics titles from 12-time Eisner Award-winner Frank Miller and illustrator David Mazzucchelli. The film depicts young Bruce Wayne's return to Gotham City in his first attempts to fight injustice as a costumed vigilante. The playboy billionaire chooses the guise of a giant bat to combat crime, creates an early bond with a young Lieutenant James Gordon (who is already battling corruption from inside the police department), inadvertently plays a role in the birth of Catwoman, and helps to bring down a crooked political system that infests Gotham. THE BEST OF GREEN LANTERN DVD

Together for the first time is the best of the Green Lantern in a single disc. Each Green Lantern has been chosen by the Guardians of the Universe, and wields a power ring that can generate a variety of effects, sustained purely by the ring wearer's strength of will; the greater the user's willpower, the more effective the ring. The ring can be used for antigravity, space travel, flight, unleashing torrents of energy, translating alien dialects, and creation of green objects (constructs) of any shape. Across the years, the ring has been shown capable of accomplishing anything within the imagination of the ring bearer. (STK452268) (C: 0-1-3)

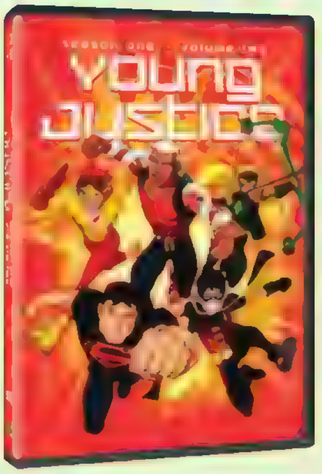
YOUNG JUSTICE SEASON 1 PART 2 DVD



Being a teenager means proving yourself over and over — to peers, parents, teachers, mentors and, ultimately, to yourself. But what if you're not just a normal teenager? What if you're a teenage super hero? How much harder will it be to prove yourself in a world of super powers, super villains and super secrets? Are you ready to come of age in such a world? Are you ready for life or death rites of passage? Are you ready to join the ranks of the great heroes and prove you're worthy of the Justice League? That's exactly what the members of Young Justice — Robin, Aqualad, Kid Flash, Superboy, Miss Martian, and Artemis — will find out and whether they have what it takes to be a proven hero. RASCAL RACCOON'S RAGING REVENGE HC

ONI PRESS

We've all grown up on these cartoons; a villainous bad guy who relentlessly hunts our favorite clever hero with elaborate schemes and plans that never seem to quite work out in the villain's favor. The villain gets his comeuppance, the hero hops away with his latest victory, and all is right with the world. But what happens when the villain finally gets his way?

Rascal Raccoon is a typical cartoon villain with a typical obsession of killing everyone's favorite cartoon hero, Jumpin' Jackalope. Every day our hero manages to avoid every death trap Rascal Raccoon has devised, but when Rascal finally kills his nemesis by accident, what does he do with his life from then on? Loved by his fellow villains and despised by everyone who ever loved Jumpin' Jackalope, Rascal Raccoon is bored and without direction in his life. Rascal devises a new obsession and, with the unlikely help of Jackalope's girlfriend, they figure out how to enter the "real" world where the animator responsible for their home of Toonie Terrace resides. What's the next best thing after destroying Jumpin' Jackalope? Rascal decides it's the real-life person who created him?

A fun homage to the cartoons of our childhood, *Rascal Raccoon's Raging Revenge* is a Warner Brothers cartoon dipped in a little bit of *Who Framed Roger Rabbit?*, all wrapped up in a handsome hardcover shell in full-color glory.

HIGH SCHOOL OF THE DEAD COLOR OMNIBUS HC

YEN PRESS

Battle Royale meets *The Walking Dead*. *High School of the Dead* is a no-holds-barred fist-fest where a staggeringly beautiful cast of amazing teachers and teens claw a toe-hold for themselves in a world swamped by a zombie pandemic.

Takashi and Rei, our hero and his ex-girlfriend, are trapped in their school when the first bite occurs down by the gate. Before long, the school is swarming anthill of panicked students, powerless teachers, and kill-crazed corpses. Nail guns, fire hoses, mop handles, electric drills, kendo swords and crowbars pave the way for the final gang of six to hijack a bus and plow their way off the school grounds and into the hands of the army who are desperately trying to enforce quarantine.

This series has been released in traditional black and white manga volumes, as an incredibly popular anime, and will now have the first four volumes collected into a sleek hardcover edition. Horror otaku, rejoice! Yen Press new version gives you all *HOTD*'s high-kicking, artery-spraying, motorcycle-riding, shirt-tearing, gore-splattering action in full-color!

BOOM! STUDIOS/KABOOM!

Snoopy and the gang are back in a new ongoing series from BOOM! Studios' kaboom! imprint. I can hear the familiar Vince Guaraldi theme song playing in my head now in anticipation. I am looking forward to see what antics Charlie Brown and his friends get into in this new series. *Peanuts* are one of the licensed properties that will always feel comfortable to me, no matter how many years it has been since I was glued to the television for the animated specials every holiday as a child. I am excited to see how the creative staff around this project expands upon such a loveable and well-known animated property into new content. Knowing there's new content on the horizon makes me wonder if Charlie Brown will ever get to kick that football. Here's to hoping they make Lucy less devious this time around.

NAUGHTY AND NICE: THE GOOD GIRL ART OF BRUCE TIMM
FLESK PUBLICATIONS

Clean, neat, concise and accessible for all ages is how I normally would consider the work of Bruce Timm. With the release of Flesk Publication's *Naughty and Nice: The Good Girl Art of Bruce Timm* you can add sexy and provocative in describing his artwork.

This book showcases a number of full-color, line and pencil illustrations of semi-clothed and nude women in poses from pensive to assertive, from sophisticated city gal to savage jungle queen. Bruce gave Flesk Publications unprecedented access to his archives to provide the best representation of his private works. In these new and rarely seen images from the last 15 years, Timm combines lush brushstrokes and pencil work, a smooth and graceful economy of line creating some of the best designs of the female form.

Whether you are a fan of pin up art from Gil Elvgren to Dave Stevens or Adam Hughes, *Naughty and Nice: The Good Girl Art of Bruce Timm* is an excellent addition to your library of Good Girl Art.

THE RINSE #1
BOOM! STUDIOS

The Rinse is one of BOOM! Studios' most exciting upcoming series. When you first read the title you can make a pretty good guess as to what it's going to be, and I nailed it right on the head. It's about a guy named Jeff Sinclair. He is the best at what he does. Money Laundering, if you're unsure as to what that is, is the act of disguising dirty money. So you can imagine the people Jeff gets himself involved with. It's written by the acclaimed crime novelist Gary Phillips with art by Marc Laming, and they bring a real hard-boiled flavor to the series. If you love hard-hitting crime fiction and like to be kept on the edge of your seat, I would highly recommend this new series.

STRAWBERRY SHORTCAKE TP
APE ENTERTAINMENT

At the time I was writing this, *Strawberry Shortcake* #1 had just hit stores, and it was more adorable than I anticipated. The creative staff on *Strawberry Shortcake* has restyled the 80's cartoon icon into a modern character that appeals to children of today — *and* the children of the 80's. While interiors for #2 and the rest of the series remain unseen, the trade paperback will be the perfect collection of the entire series and any other surprise goodness Ape throws our way. Here's to hoping that the trade collects every bit of adorable from the entire series, and throws in some extra.

The Dreamer

THE DREAMER VOLUME 2 TP
IDW PUBLISHING

One too many years ago when I worked for EB Games, I said wearily that I was tired of seeing World War II time and again as a game. "Where's the love for the Revolutionary War?" I said. "I want a game where I can cross the Delaware and where I can have a realistic rate of musket fire!" I was [illegible] with the Revolution — it was my concentration in college, after all.

Years passed ... I discovered that IDW Publishing was going to publish Lora Innes' *The Dreamer*, collecting the webcomic about a high schooler, Beatrice Whaley, who begins having vivid dreams of her life during the American Revolution, dreams just as real than her modern life. With two lives to live — and two handsome men to romance — in two different centuries — Bea leads a complicated life.

And I absolutely loved it. Innes' artwork was stylish and detailed, her dialogue in two centuries rang true, and her characters were captivating. This November, IDW brings out another collection of Bea's adventures in *The Dreamer Volume 2*, and I can't wait. If you love history or comics that are both funny and romantic, *The Dreamer* is the book for you!

CRAIG YOE: COMICS HISTORIAN, COMICS FAN

One thing is undeniably true when you talk to Craig Yoe about comics and comics creators: he loves them. And he pours that love and deep respect for these talented artisans into each and every one of his projects; many of which come from IDW Publishing and his self-titled Yoe Books! imprint.

Craig has designed, written and edited several beautiful volumes for IDW and other publishers, paying tribute to such greats as Dick Briefer, Steve Ditko, George Herriman, and others.

Recently, Craig took time out of his busy schedule to discuss his life and career, and the many great books he's created celebrating comics…

FLIPside

previews: You are called everything from an art historian to a comics archaeologist. How do you think about the work you are doing?

Craig Yoe: I do have multi-personalities — and yes, I am getting professional help for this. I'm a cartoonist, a designer, a fine artist, a writer, an editor, a sculptor and, like you said, people have called me an art historian and comics archaeologist. I bring those different aspects of me into my current main professional focus, creating books about the work of genius cartoonists.

I create books for a number of great publishers; a good number of my volumes are for my own imprint for IDW, the imprint with the hopelessly out-of-control egotistical name of Yoe Books. My shrink is working with me on that, too.

P: In the past you've acknowledged what difficult work writing can be, though holding the finished project brings a great sense of satisfaction. Do you think there are challenges and difficulties specific to writing about comics and their history?

CY: The designing part is the most fun part of my work. The research can be very enjoyable too, and especially exciting when I make new discoveries. The writing is excruciating. It is like cutting open my head with a dull rusty knife and letting the thoughts painfully ooze out, and that's just to write one lousy sentence! I do hope that description of the writing process is not too graphic for your readers!

The Bizarre Comics of

Sounds like you read where I quoted Dorothy Parker who said, *"I hate writing, I love having written."* There is a big thrill holding the finished book in your hand like no other — it's better than sex!

P: You have a long career in design, including work as a Creative Director for Jim Henson, Disney and Nickelodeon. How has this design experience informed your treatment of, and perspective on, the books you create? And did your experiences with comics as a child and a teenager influence your decision to work in design in the first place?

CY: When I was a young teenager in the early 1960s I did comics fanzines, and I now sometimes chuckle to think I'm back, after many twists and turns, to creating fanzines about comics in the form of full-color coffee table art books. The youthful experience of loving and collecting comics was certainly a big influence in my design work for puppets, toys, fashion, theme parks, and animation. As cool as all those disciplines are, comics were always my first passion, so it's fantastic to be back to my roots! I'm bringing some of the sensibilities learned in those different fields I worked in to my book creation today.

For instance, hardly a day goes by that I don't think about Jim Henson's words — and example — to me that you can never go wrong with a commitment to quality, attention to detail and spending the time to make something as creative as you know how. Jim felt if you incorporate those qualities into your work the public will respond. I am committed to bringing those aspects to my books and hope that what Jim did with puppets I can do a wee bit with publishing.

P: What has been your favorite project to work on? What finished project are you most proud of?

CY: A personal fave would be ***The Art of Ditko***, since Ditko is the artist that inspired me to be in the creative world. Stan Lee wrote the introduction to that book and it was cool to get the ol' Lee/Ditko team back together again — in a sense. It was fitting and very satisfying to me that this was the first Yoe Book. My favorite research was working with the cartoonist's family for ***The Complete Milt Gross Comic Books and Life Story***. Gross is such a hilarious genius and unearthing so much rare information and comics was a real kick. I think my best design is on ***Felix the Cat: The Great Comic Book Tails***. I took risks on that, more than usual, and people love the "Beatles White album" design, as it has been called.

But the overall best Yoe Book so far I think is ***Archie***. Archie is one of the three longest standing comic book companies, and there never has been such an extensive deluxe coffee table book look at their core characters and their creation. The book is loaded to the gills with rarities and art (some of it pretty sexy!). And I think I really gave all the creators their due, turning up unknown biographical information on John Goldwater, Bob Montana, Dan DeCarlo, Harry Lucey, George Gladir, Frank Doyle and many other of the creatives that have made — and are making — Archie great. I'm very happy with the design and this book being featured on page one of *USA Today* topped it all off.

P: Do you tend to work much with others, and if so, how many folks assist you with a project? Has teaming up with IDW changed that process?

CY: I work on daily basis with my wife Clizia Gussoni, who I thankfully met at an Italian comic book convention. Best thing that ever happened to me, first for love, of course, but for my work, too. Clizia is the producer of my books and devotes her book making talents to honing my writing and design. At IDW everyone has been incredibly supportive from Ted Adams and Greg Goldstein to sales and marketing.

But I can't count how many times every week that our editor there, Justin Eisinger, thankfully saves my sweet ass by making each book better and getting them out the door. Justin basically, often saves me from myself. There is a long list of people listed in the front of every Yoe book that I am deeply indebted to including collectors who lend rare material to make the books special.

Continued on FS-8

FLIPside

Continued from FS-3

P: We'd love to hear a little bit about any upcoming projects on your schedule. Is there anything you can share?

CY: ***Bob Powell's Terror*** will be following up the terrifically well-received ***Dick Briefer's Frankenstein*** in the "Chilling Archives of Horror Comics" series we started last Halloween. People know us for books on vintage comics history. I've jokingly said in the past that the only good cartoonists are dead cartoonists. But we're now going to surprise some fans as we're going to be publishing the works of hale and hearty living cartoonists, too. I'm excitedly working with the iconoclast John Kricfalusi on a book of his amazing comics. Bob Weber and Jay Stevens produce one of the greatest comic strips of all time, ***Oh Brother***. I am ecstatic that Yoe Book's will be publishing the first collection of their strip.

I think these creators are geniuses and up there with the other cartoonists featured in Yoe Books like Carl Barks, Dick Briefer, Otto Messmer, Billy DeBeck, John Stanley, George Herriman, Bud Sagendorf, Steve Ditko, Dan DeCarlo, Harvey Kurtzman, Dr. Seuss, Milt Gross, and more. I regularly pinch myself this is all such a dream come true. Please excuse me while I go pinch myself right now. My shrink says there's some reason I constantly do this…
